2.4 Form and Terms of Initial Debentures

- (a) The Initial Debentures are hereby authorized for issue immediately in the aggregate principal amount of \$75,000,000 and shall be designated as "8.0% Convertible Unsecured Subordinated Debentures due May 31, 2016".
- (b) The Initial Debentures shall be dated as of the date of the closing of the Offering (or such other date as the Company may request) and shall mature May 31, 2016 (the "**Maturity Date**" for the Initial Debentures).

- (c) The Initial Debentures shall bear interest from the date of the Initial Debentures at the rate of 8.0% per annum (based on a year of 365 days (or 366 days in the case of a leap year)), payable in equal (with the exception of the first interest payment which will include interest from and including the date of closing of the Offering as set forth below) semi-annual payments in arrears on May 31 and November 30 in each year, the first such payment to fall due on November 30, 2011 and the last such payment (representing interest payable from the last Interest Payment Date to, but excluding, the Maturity Date of the Initial Debentures) to fall due on May 31, 2016, payable after as well as before maturity and after as well as before default, with interest on amounts in default at the same rate, compounded semi-annually. For certainty, the first interest payment will include interest accrued from and including the date of closing of the Offering to, but excluding November 30, 2011, which will be equal to \$43.18 for each \$1,000 principal amount of Initial Debentures. The record dates for the payment of interest on the Initial Debentures will be May 15 and November 15 in each year (or the first Business Day prior to such date if not a Business Day).
- (d) The Initial Debentures will be redeemable in accordance with the terms of Article 4, provided that the Initial Debentures will not be redeemable before May 31, 2014, except in the event of the satisfaction of certain conditions after a Change of Control has occurred as outlined herein. On and after May 31, 2014 and prior to the Maturity Date, provided that the Current Market Price at the time of the Redemption Notice is at least 125% of the Conversion Price, the Initial Debentures may be redeemed at the option of the Company in whole or in part from time to time on notice as provided for in Section 4.3 for the Redemption Price. The Redemption Notice for the Initial Debentures shall be substantially in the form of Schedule B. In connection with the redemption of the Initial Debentures, the Company may, at its option, and subject to the provisions of Section 4.6 and subject to regulatory approval, elect to satisfy its obligation to pay up to one-third of the aggregate principal amount of the Initial Debentures to be redeemed by issuing and delivering to the holders of such Initial Debentures, such number of Freely Tradeable Common Shares as is obtained by dividing such amount by 95% of the Current Market Price in effect on the Redemption Date. If the Company elects to exercise such option, it shall so specify and provide details in the Redemption Notice.
- (e) The Initial Debentures will be subordinated to the Senior Indebtedness of the Company and its Subsidiaries in accordance with the provisions of Article 5. In accordance with Section 2.12, the Initial Debentures will rank *pari passu* with each other series of Debentures issued under this Indenture or under indentures supplemental to this Indenture (regardless of their actual date or terms of issue) and, except as prescribed by law, with all other existing and future unsecured indebtedness of the Company that is not Senior Indebtedness.
- (f) Upon and subject to the provisions and conditions of Article 6 and Section 3.8, the holder of each Initial Debenture shall have the right at such holder's option prior to the close of business on the earlier of (i) the Maturity Date of the Initial Debentures; or (ii) if the Initial Debentures are called for redemption, on the Business Day immediately preceding the date specified by the Company for

redemption of the Initial Debentures, by notice to the holders of Initial Debentures in accordance with Sections 2.4(d) and 4.3 (the earlier of which will be the “**Time of Expiry**” for the purposes of Article 6 in respect of the Initial Debentures), to convert any part, being \$1,000 or an integral multiple thereof, of the principal amount of a Debenture into Freely Tradeable and fully paid and non-assessable Common Shares at the Conversion Price in effect on the Date of Conversion. To the extent a redemption is a redemption in part only of the Initial Debentures, such right to convert, if not exercised prior to the applicable Time of Expiry, shall survive as to any Initial Debentures not redeemed or converted and be applicable to the next succeeding Time of Expiry.

The Conversion Price in effect on the date hereof for each Common Share to be issued upon the conversion of Initial Debentures shall be equal to \$4.25 such that 235.2941 Common Shares shall be issued for each \$1,000 principal amount of Initial Debentures so converted. Except as provided herein, no adjustment in the number of Common Shares to be issued upon conversion will be made for dividends on Common Shares issuable upon conversion, the record date for the payment of which precedes the date upon which the holder becomes a holder of Common Shares in accordance with Article 6, or for interest accrued on Initial Debentures surrendered for conversion. The Conversion Price applicable to and the Common Shares, securities or other property receivable on the conversion of the Initial Debentures is subject to adjustment pursuant to the provisions of Section 6.6.

Holders converting their Initial Debentures will receive, in addition to the applicable number of Common Shares, accrued and unpaid interest (less any taxes required to be deducted) in respect of the Initial Debentures surrendered for conversion up to but excluding the Date of Conversion from, and including, the most recent Interest Payment Date in accordance with Section 6.5(e). For clarity, payment of such interest may, at the option of the Company, be paid on the next regularly scheduled Interest Payment Date following the Date of Conversion.

Notwithstanding the foregoing, holders of Initial Debentures surrendered for conversion during the period from the close of business on any regular record date for the payment of interest on the Initial Debentures to the opening of business on the next succeeding Interest Payment Date will receive the semi-annual interest payable on such Initial Debentures on the corresponding Interest Payment Date notwithstanding the conversion. In the event that a holder of Initial Debentures exercises their conversion right following a Redemption Notice by the Company and during the period from the close of business on any regular record date for the payment of interest on the Initial Debentures to the opening of business on the next succeeding Interest Payment Date, such holder will be entitled to receive accrued and unpaid interest, in addition to the applicable number of Common Shares to be received on conversion, for the period from the last Interest Payment Date to (but excluding) the date of conversion.

Notwithstanding any other provisions of this Indenture, if a Debenture is surrendered for conversion during the period from the close of business on any regular record date for the payment of interest on the Initial Debentures to the

opening of business on the next succeeding Interest Payment Date, the Person or Persons entitled to receive Common Shares in respect of the Debenture so surrendered for conversion shall not become the holder or holders of record of such Common Shares until the Business Day following such Interest Payment Date.

A Debenture which has been tendered for purchase by its holder pursuant to a Change of Control Purchase Offer pursuant to the provisions of Section 2.4(j) may be surrendered for conversion only if such Change of Control Purchase Offer is withdrawn in accordance with this Indenture.

- (g) On maturity of the Initial Debentures, the Company may, at its option and subject to the provisions of Section 4.10, as applicable, and subject to regulatory approval, elect to satisfy its obligation to pay up to one-third of the aggregate principal amount of the Initial Debentures due on maturity, by issuing and delivering to such holders of Initial Debentures Freely Tradeable Common Shares pursuant to the provisions of Section 4.10, as applicable. If the Company elects to exercise such option, it shall provide details in a maturity notice (the “**Maturity Notice**”) to the holders of the Initial Debentures not more than 60 days and not less than 40 days before the Maturity Date in substantially the form of Schedule C and provide the necessary details.
- (h) The Initial Debentures shall be issued in denominations of \$1,000 and integral multiples of \$1,000. Each Initial Debenture and the certificate of the Trustee endorsed thereon shall be issued in substantially the form set out in Schedule A, with such insertions, omissions, substitutions or other variations as shall be required or permitted by this Indenture, and may have imprinted or otherwise reproduced thereon such legend or legends or endorsements, not inconsistent with the provisions of this Indenture, as may be required to comply with any law or with any rules or regulations pursuant thereto or with any rules or regulations of any securities exchange or securities regulatory authority or to conform with general usage, all as may be determined by the directors or officers of the Company in accordance with Section 2.7 hereof, as conclusively evidenced by their execution of an Initial Debenture.

Each Initial Debenture shall additionally bear such distinguishing letters and numbers as the Trustee shall approve. Notwithstanding the foregoing, an Initial Debenture may be in such other form or forms as may, from time to time, be, approved by a resolution of the Board of Directors, or as specified in an Officers’ Certificate. The Initial Debentures may be engraved, lithographed, printed, mimeographed or typewritten or partly in one form and partly in another.

The Initial Debentures shall be issued as a Global Debenture and the Global Debenture will be registered in the name of the Depository which, as of the date hereof, shall be CDS Clearing and Depository Services Inc. (or any nominee of the Depository). No beneficial holder will receive definitive certificates representing their interest in Debentures except as provided in Section 3.2. A Global Debenture may be exchanged for Debentures in registered form that are not Global Debentures, or transferred to and registered in the name of a Person

other than the Depository for such Global Debentures or a nominee thereof, as provided in Section 3.1.

- (i) Upon and subject to the provisions of Article 10, the Company may elect, from time to time, to issue and solicit bids to sell sufficient Common Shares in order to raise funds to satisfy up to one-third of its Interest Obligation on the Initial Debentures on any Interest Payment Date (including, for greater certainty, following conversion or upon maturity or redemption) by delivering Common Shares to the Trustee pursuant to the Common Share Interest Payment Election.
- (j) Subject to the provisions and conditions of this Section 2.4(j), the Company shall be obligated to offer to purchase all of the Initial Debentures then outstanding. The terms and conditions of such obligation are set forth below:
 - (i) Within 30 days following the occurrence of a Change of Control, the Company shall deliver to the Trustee, and the Trustee shall promptly deliver to the holders of the Initial Debentures, a notice stating that there has been a Change of Control and specifying the date on which such Change of Control occurred and the circumstances or events giving rise to such Change of Control (a “**Change of Control Notice**”) together with an offer in writing (the “**Change of Control Purchase Offer**”) to purchase, on the Change of Control Purchase Date (as defined below), all of the Initial Debentures then outstanding from the holders thereof made in accordance with the requirements of Applicable Securities Legislation at a price per Initial Debenture equal to 101% of the principal amount thereof (the “**Offer Price**”) plus accrued and unpaid interest on such Initial Debentures up to, but excluding, the Change of Control Purchase Date (collectively, the “**Total Offer Price**”). If such Change of Control Purchase Date is after a record date for the payment of interest on the Initial Debentures but on or prior to an Interest Payment Date, then the interest payable on such date will be paid to the holder of record of the Debentures on the relevant record date. The “**Change of Control Purchase Date**” shall be the date that is 30 days after the date that the Change of Control Notice and Change of Control Purchase Offer are delivered or mailed to holders of Initial Debentures.
 - (ii) If 90% or more in aggregate principal amount of Initial Debentures outstanding on the date the Company provides the Change of Control Notice and the Change of Control Purchase Offer to holders of the Initial Debentures have been tendered for purchase and not withdrawn pursuant to the Change of Control Purchase Offer on the expiration thereof, the Company has the right upon written notice provided to the Trustee within 10 days following the expiration of the Change of Control Purchase Offer, to redeem all the Initial Debentures remaining outstanding on the expiration of the Change of Control Purchase Offer at the Total Offer Price as at the Change of Control Purchase Date (the “**90% Redemption Right**”).

- (iii) Upon receipt of notice that the Company has exercised or is exercising the 90% Redemption Right and is acquiring the remaining Initial Debentures, the Trustee shall promptly provide written notice, in a form specified by the Company, to each Debentureholder that did not previously accept the Offer that:
 - (A) the Company has exercised the 90% Redemption Right and is purchasing all outstanding Initial Debentures effective on the expiry of the Change of Control Purchase Offer at the Total Offer Price, and shall include a calculation of the amount payable to such holder as payment of the Total Offer Price as at the Change of Control Purchase Date;
 - (B) each such holder must transfer their Initial Debentures to the Trustee on the same terms as those holders that accepted the Change of Control Purchase Offer and must send their respective Initial Debentures (if not then represented by a global certificate), duly endorsed for transfer, to the Trustee within 10 days after the sending of such notice; and
 - (C) the rights of such holder under the terms of the Initial Debentures and this Indenture cease effect as of the date of expiry of the Change of Control Purchase Offer provided the Company has, on or before the time of notifying the Trustee of the exercise of the 90% Redemption Right, paid the Total Offer Price to, or to the order of, the Trustee and thereafter the Initial Debentures shall not be considered to be outstanding and the holder shall not have any right except to receive such holder's Total Offer Price upon surrender and delivery of such holder's Initial Debentures in accordance with the Indenture.
- (iv) The Company shall, on or before 11:00 a.m., Toronto Time, on the Business Day immediately prior to the Change of Control Purchase Date, deposit with the Trustee or any paying agent to the order of the Trustee, such sums of money, by way of same day value wire transfer, as may be sufficient to pay the Total Offer Price of the Initial Debentures to be purchased or redeemed by the Company on the Change of Control Purchase Date (less any tax required to be deducted in respect thereof). The Company shall also deposit with the Trustee a sum of money sufficient to pay any charges or expenses which may be incurred by the Trustee in connection with such purchase. Every such deposit shall be irrevocable, except as provided herein. From the sums so deposited, the Trustee shall pay or cause to be paid to the holders of such Initial Debentures, the Total Offer Price to which they are entitled (less any tax required to be deducted in respect thereof) on the Company's purchase.
- (v) In the event that one or more of such Initial Debentures being purchased in accordance with this Section 2.4(j) becomes subject to purchase in part only, upon surrender of such Initial Debentures for payment of the Total

Offer Price, the Company shall execute and the Trustee shall certify and deliver without charge to the holder thereof or upon the holder's order, one or more new Initial Debentures for the portion of the principal amount of the Initial Debentures not purchased.

- (vi) Initial Debentures for which holders have accepted the Change of Control Purchase Offer and Initial Debentures which the Company has elected to redeem in accordance with this Section 2.4(j) shall become due and payable at the Total Offer Price in cash on the Change of Control Purchase Date, in the same manner and with the same effect as if it were the date of maturity specified in such Initial Debentures, anything therein or herein to the contrary notwithstanding, and from and after the Change of Control Purchase Date, if the money necessary to purchase or redeem the Initial Debentures shall have been deposited as provided in this Section 2.4(j) and affidavits or other proofs satisfactory to the Trustee as to the publication and/or mailing of such notices shall have been lodged with it, interest on the Initial Debentures shall cease. If any question shall arise as to whether any notice has been given as above provided and such deposit made, such question shall be decided by the Trustee whose decision shall be final and binding upon all parties in interest.

- (vii) In case the holder of any Initial Debenture to be purchased or redeemed in accordance with this Section 2.4(j) shall fail on or before the Change of Control Purchase Date so to surrender such holder's Initial Debenture or shall not within such time accept payment of the monies payable, or give such receipt therefor, if any, as the Trustee may require, such monies may be set aside in trust, without interest, either in the deposit department of the Trustee or in a chartered bank, and such setting aside shall for all purposes be deemed a payment to the Debentureholder of the sum so set aside and the Debentureholder shall have no other right except to receive payment of the monies so paid and deposited, upon surrender and delivery up of such holder's Initial Debenture. In the event that any money required to be deposited hereunder with the Trustee or any depository or paying agent on account of principal or interest, if any, on Initial Debentures issued hereunder shall remain so deposited for a period of six years from the Change of Control Purchase Date, then such monies, or certificates representing Common Shares, together with any accumulated interest thereon, or any distributions paid thereon, shall at the end of such period be paid over or delivered over by the Trustee, or such depository or paying agent, to the Company and the Trustee shall not be responsible to Debentureholders for any amounts owing to them and subject to applicable laws thereafter the holder of the Debenture in respect of which such money was so repaid to the Company shall have no rights in respect thereof except to obtain payment due from the Company, subject to any limitation period provided by the laws of the Province of Ontario. Notwithstanding the foregoing, the Trustee will pay any remaining funds deposited hereunder on the date that is six years after the Change of Control Purchase Date (the "**Unclaimed Funds Return Date**") to the Company upon receipt from the Company of an unconditional letter of

credit from a Canadian chartered bank in an amount equal to or in excess of the amount of the remaining funds as security for the Company's continuing obligations hereunder, including the payment of any amounts due to holders of Debentures. If the remaining funds are paid to the Company prior to the Unclaimed Funds Return Date, the Company shall reimburse the Trustee for any amounts required to be paid by the Trustee to a holder of a Debenture pursuant to the Change of Control Purchase Offer after the date of such payment of the remaining funds to the Company but prior to the Unclaimed Funds Return Date.

- (viii) Subject to the provisions above related to Initial Debentures purchased in part, all Initial Debentures redeemed and paid under this Section 2.4(j) shall forthwith be delivered to the Trustee and cancelled and no Initial Debentures shall be issued in substitution therefor.
 - (ix) The Company shall promptly give notice to the Trustee of a Change of Control.
 - (x) The Company will publicly announce the results of the purchases made pursuant to Section 2.4(j) as soon as practicable from the Change of Control Purchase Date.
 - (xi) The Company will comply with all Applicable Securities Legislation in the event that the Company is required to repurchase Initial Debentures pursuant to Section 2.4(j).
- (k) In addition to the requirements of Section 2.4(j) in respect of a Change of Control, the following provisions shall apply in respect of the occurrence of a Cash Change of Control:
- (i) In the event of the occurrence of a Cash Change of Control, subject to regulatory approval, during the period (the "**Cash Change of Control Conversion Period**") beginning 10 trading days before the anticipated effective date of the Change of Control (the "**Effective Date**") and ending on the date that is 30 days after the Change of Control Notice and Change of Control Purchase Offer are delivered or mailed to holders of Initial Debentures in accordance with Section 2.4(j), holders of Initial Debentures will be entitled to convert their Initial Debentures based on a new conversion price (the "**Change of Control Conversion Price**") calculated as follows:

$COCCP = OCP / (1 + (CP \times (c/t)))$ where:

COCCP is the Change of Control Conversion Price;

OCP = is the Conversion Price in effect on the Effective Date;

CP = 34%;

c = the number of days from and including the Effective Date to but excluding the Maturity Date; and

t = the number of days from and including the date hereof to but excluding the Maturity Date.

- (ii) In the event that the Change of Control Conversion Price calculated in accordance with the formula above is less than \$2.72, as adjusted to the extent necessary to give effect to any stock splits, consolidations or similar changes affecting the Common Shares after the date hereof (the “**Maximum Discounted Market Price**”), the Change of Control Conversion Price shall be deemed to be the Maximum Discounted Market Price.
 - (iii) Notwithstanding the foregoing, if the Date of Conversion of any Initial Debentures occurs during the period beginning on the 10th trading day prior to the Effective Date and ending at the close of business on the Effective Date, the holders of such Initial Debentures shall, on conversion of their Initial Debentures, only be entitled to receive that number of Common Shares resulting from the Cash Change of Control Conversion Price in excess of the number of Common Shares to which they would otherwise have been entitled (the “**Base Shares**”) at the Conversion Price that would then have been in effect but for the Cash Change of Control (such excess number of Common Shares being the “**Make Whole Premium Shares**”) on the Business Day immediately following the Effective Date and, for greater certainty, only if the Change of Control occurs. The Base Shares shall be issued in accordance with the terms of this Indenture applicable to a conversion of Initial Debentures otherwise than during the Cash Change of Control Conversion Period, including without limitation, at the then applicable Conversion Price.
 - (iv) The Make Whole Premium Shares shall be deemed to have been issued upon conversion of Initial Debentures on the Business Day immediately following the Effective Date. Section 6.6 shall apply to such conversion and, for greater certainty, the former holders of Initial Debentures in respect of which the Make Whole Premium Shares are issuable shall be entitled to receive and shall accept, subject to Section 6.6(n), the consideration that such holders would have been entitled to receive if such holders had been the registered holders of the applicable number of Make Whole Premium Shares on the Effective Date.
 - (v) Except as otherwise provided in this Section 2.4(k), all other provisions of this Indenture applicable to a conversion of Initial Debentures shall apply to a conversion of Initial Debentures during the Cash Change of Control Conversion Period.
- (l) The Trustee shall be provided with the documents and instruments referred to in Sections 2.5(b), (c) and (d) with respect to the Initial Debentures prior to the issuance of the Initial Debentures.

2.5 Certification and Delivery of Additional Debentures

Subject to the terms and conditions attached to any series of Debentures, the Company may from time to time request the Trustee to certify and deliver Additional Debentures of any series by delivering to the Trustee the documents referred to below in this Section 2.5 whereupon the Trustee shall certify such Debentures and cause the same to be delivered in accordance with the Written Direction of the Company referred to below or pursuant to such procedures acceptable to the Trustee as may be specified from time to time by a Written Direction of the Company. The maturity date, issue date, interest rate (if any) and any other terms of the Debentures of such series shall be set forth in or determined by or pursuant to such Written Direction of the Company and such procedures. In certifying such Debentures, the Trustee shall be entitled to receive and shall be fully protected in relying upon, unless and until such documents have been superseded or revoked:

- (a) an Officers' Certificate and/or executed supplemental indenture by or pursuant to which the form and terms of such Additional Debentures were established;
- (b) a Written Direction of the Company requesting certification and delivery of such Additional Debentures and setting forth delivery instructions, provided that, with respect to Debentures of a series subject to a Periodic Offering:
 - (i) such Written Direction of the Company may be delivered by the Company to the Trustee prior to the delivery to the Trustee of such Additional Debentures of such series for certification and delivery;
 - (ii) the Trustee shall certify and deliver Additional Debentures of such series for original issue from time to time, in an aggregate principal amount not exceeding the aggregate principal amount, if any, established for such series, pursuant to a Written Direction of the Company or pursuant to procedures acceptable to the Trustee as may be specified from time to time by a Written Direction of the Company;
 - (iii) the maturity date or dates, issue date or dates, interest rate or rates (if any) and any other terms of Additional Debentures of such series shall be determined by an executed supplemental indenture or by Written Direction of the Company or pursuant to such procedures; and
 - (iv) if provided for in such procedures, such Written Direction of the Company may authorize certification and delivery pursuant to oral or electronic instructions from the Company which oral or electronic instructions shall be promptly confirmed in writing;
- (c) an opinion of Counsel, in form and substance satisfactory to the Trustee, acting reasonably, to the effect that all requirements imposed by this Indenture and by law in connection with the proposed issue of Additional Debentures have been complied with, subject to the delivery of certain documents or instruments specified in such opinion; and

- (d) an Officers' Certificate (which Officers' Certificate shall be in such form that satisfies all applicable laws) certifying that the Company is not in default under this Indenture, that the terms and conditions for the certification and delivery of Additional Debentures (including those set forth in Section 15.5) have been complied with subject to the delivery of any documents or instruments specified in such Officers' Certificate and that no Event of Default exists or will exist upon such certification and delivery.

2.6 Issue of Global Debentures

- (a) The Company may specify that the Debentures of a series are to be issued in whole or in part as one or more Global Debentures registered in the name of a Depository, or its nominee, designated by the Company in the Written Direction of the Company delivered to the Trustee at the time of issue of such Debentures, and in such event the Company shall execute and the Trustee shall certify and deliver one or more Global Debentures that shall:
 - (i) represent an aggregate amount equal to the principal amount of the outstanding Debentures of such series to be represented by one or more Global Debentures;
 - (ii) be delivered by the Trustee to such Depository or pursuant to such Depository's instructions; and
 - (iii) bear a legend substantially to the following effect:

“This Debenture is a Global Debenture within the meaning of the Indenture herein referred to and is registered in the name of a Depository or a nominee thereof. This Debenture may not be transferred to or exchanged for Debentures registered in the name of any Person other than the Depository or a nominee thereof and no such transfer may be registered except in the limited circumstances described in the Indenture. Every Debenture authenticated and delivered upon registration of, transfer of, or in exchange for, or in lieu of, this Debenture shall be a Global Debenture subject to the foregoing, except in such limited circumstances described in the Indenture.

Unless this certificate is presented by an authorized representative of CDS Clearing and Depository Services Inc. (“CDS”) to Pinetree Capital Ltd. (the “Issuer”), or its agent for registration of transfer, exchange or payment, and any certificate issued in respect thereof is registered in the name of CDS & Co., or in such other name as is requested by an authorized representative of CDS (and any payment is made to CDS & Co. or to such other entity as is requested by an authorized representative of CDS), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered holder hereof, CDS & Co., has a property interest in the securities represented by this certificate herein and it is a violation of its rights for another person to hold, transfer or deal with this certificate.”

- (b) Each Depository designated for a Global Debenture must, at the time of its designation and at all times while it serves as such Depository, be a clearing agency registered or designated under the securities legislation of the jurisdiction where the Depository has its principal offices.

2.7 Execution of Debentures

All Debentures shall be signed (either manually or by facsimile signature) by any one authorized director or officer of the Company holding office at the time of signing. A facsimile signature upon a Debenture shall for all purposes of this Indenture be deemed to be the signature of the person whose signature it purports to be. Notwithstanding that any person whose signature, either manual or in facsimile, appears on a Debenture as a director or officer may no longer hold such office at the date of the Debenture or at the date of the certification and delivery thereof, such Debenture shall be valid and binding upon the Company and entitled to the benefits of this Indenture.

2.8 Certification

No Debenture shall be issued or, if issued, shall be obligatory or shall entitle the holder to the benefits of this Indenture, until it has been manually certified by or on behalf of the Trustee substantially in the form set out in this Indenture, in the relevant supplemental indenture, or in some other form approved by the Trustee. Such certification on any Debenture shall be conclusive evidence that such Debenture is duly issued, is a valid obligation of the Company and the holder is entitled to the benefits hereof.

The certificate of the Trustee signed on the Debentures, or interim Debentures hereinafter mentioned, shall not be construed as a representation or warranty by the Trustee as to the validity of this Indenture or of the Debentures or interim Debentures or as to the issuance of the Debentures or interim Debentures and the Trustee shall in no respect be liable or answerable for the use made of the Debentures or interim Debentures or any of them or the proceeds thereof. The certificate of the Trustee on the Debentures or interim Debentures shall, however, be a representation and warranty by the Trustee that the Debentures or interim Debentures have been duly certified by or on behalf of the Trustee pursuant to the provisions of this Indenture.

2.9 Interim Debentures or Certificates

Pending the delivery of definitive Debentures of any series to the Trustee, the Company may issue and the Trustee certify in lieu thereof interim Debentures in such forms and in such denominations and signed in such manner as provided herein, entitling the holders thereof to definitive Debentures of the series when the same are ready for delivery; or the Company may execute and the Trustee certify a temporary Debenture for the whole principal amount of Debentures of the series then authorized to be issued hereunder and deliver the same to the Trustee and thereupon the Trustee may issue its own interim certificates in such form and in such amounts, not exceeding in the aggregate the principal amount of the temporary Debenture so delivered to it, as the Company and the Trustee may approve entitling the holders thereof to definitive Debentures of the series when the same are ready for delivery; and, when so issued and certified, such interim or temporary Debentures or interim certificates shall, for all purposes but without duplication, rank in respect of this Indenture equally with Debentures duly issued hereunder and, pending the exchange thereof for definitive Debentures, the holders of the interim

or temporary Debentures or interim certificates shall be deemed without duplication to be Debentureholders and entitled to the benefit of this Indenture to the same extent and in the same manner as though the said exchange had actually been made. Forthwith after the Company shall have delivered the definitive Debentures to the Trustee, the Trustee shall cancel such temporary Debentures, if any, and shall call in for exchange all interim Debentures or certificates that shall have been issued and forthwith after such exchange shall cancel the same. No charge shall be made by the Company or the Trustee to the holders of such interim or temporary Debentures or interim certificates for the exchange thereof. All interest paid upon interim or temporary Debentures or interim certificates shall be noted thereon as a condition precedent to such payment unless paid by cheque to the registered holders thereof.

2.10 Mutilation, Loss, Theft or Destruction

In case any of the Debentures issued hereunder shall become mutilated or be lost, stolen or destroyed, the Company, in its discretion, may issue, and thereupon the Trustee shall certify and deliver, a new Debenture upon surrender and cancellation of the mutilated Debenture, or in the case of a lost, stolen or destroyed Debenture, in lieu of and in substitution for the same, and the substituted Debenture shall be in a form approved by the Trustee and shall be entitled to the benefits of this Indenture and rank equally in accordance with its terms with all other Debentures issued or to be issued hereunder. In case of loss, theft or destruction the applicant for a substituted Debenture shall furnish to the Company and to the Trustee such evidence of the loss, theft or destruction of the Debenture as shall be satisfactory to them in their discretion and shall also furnish an indemnity and surety bond satisfactory to them in their discretion. The applicant shall pay all reasonable expenses incidental to the issuance of any substituted Debenture.

2.11 Concerning Interest

- (a) All Debentures issued hereunder, whether originally or upon exchange or in substitution for previously issued Debentures which are interest bearing, shall bear interest (i) from and including their issue date, or (ii) from and including the last Interest Payment Date to which interest shall have been paid or made available for payment on the outstanding Debentures of that series, whichever shall be the later, or, in respect of Debentures subject to a Periodic Offering, from and including their issue date or from and including the last Interest Payment Date to which interest shall have been paid or made available for payment on such Debentures, in all cases, to and excluding the next Interest Payment Date.
- (b) Unless otherwise specifically provided in the terms of the Debentures of any series, interest shall be computed on the basis of a year of 365 days (or 366 days in the case of a leap year). Subject to Section 2.4(c) in respect of the method for calculating the amount of interest to be paid on Initial Debentures on the first Interest Payment Date in respect thereof, with respect to any series of Debentures, whenever interest is computed on the basis of a year (the “**deemed year**”) which contains fewer days than the actual number of days in the calendar year of calculation, such rate of interest shall be expressed as a yearly rate for purposes of the Interest Act (Canada) by multiplying such rate of interest by the actual number of days in the calendar year of calculation and dividing it by the number of days in the deemed year.

2.12 Debentures to Rank Pari Passu With One Another

The Debentures will be direct unsecured obligations of the Company. Each Debenture issued hereunder shall rank *pari passu* with one another, without discrimination, preference or priority. The payment of any amount hereunder including, without limitation, the principal of and interest on the Debentures is expressly subordinated to the prior payment in full of Senior Indebtedness to the extent and in the manner hereinafter set forth in Article 5.

2.13 Payments of Amounts Due on Maturity

Except as may otherwise be provided herein, including Article 5, or in any supplemental indenture in respect of any series of Debentures and subject to Section 4.10, payments of amounts due upon maturity of the Debentures will be made in the following manner. The Company will establish and maintain with the Trustee a Maturity Account for each series of Debentures. Each such Maturity Account shall be maintained by and be subject to the control of the Trustee for the purposes of this Indenture. On or before 11:00 a.m. (Toronto time) on the Business Day immediately prior to the Maturity Date for Debentures outstanding from time to time under this Indenture, the Company will deliver to the Trustee a certified cheque or wire transfer for deposit in the applicable Maturity Account in an amount sufficient to pay the cash amount payable in respect of such Debentures (including the principal amount together with any accrued and unpaid interest thereon less any tax required to be deducted). The Trustee, on behalf of the Company, will pay to each holder entitled to receive payment the principal amount of and accrued and unpaid interest on a Debenture, upon surrender of such Debenture at the main branch of the Trustee in Toronto, Ontario and any other branch of the Trustee designated for such purpose from time to time by the Company and the Trustee. The delivery of such funds to the Trustee for deposit to the applicable Maturity Account will satisfy and discharge the liability of the Company for the Debentures to which the delivery of funds relates to the extent of the amount delivered (plus the amount of any tax deducted as aforesaid) and such Debentures will thereafter to that extent not be considered as outstanding under this Indenture and such holder will have no other right in regard thereto other than to receive out of the money so delivered or made available the amount to which it is entitled.

Subject to applicable law, any monies set aside under this Section and not claimed by and paid to holders of Debentures as provided in this Section within six years after the date of such setting aside shall be repaid and delivered to the Company by the Trustee and thereupon the Trustee shall be released from all further liability with respect to such monies and thereafter the holders of the Debentures in respect of which such monies or Common Shares, if applicable, were so repaid to the Company shall have no rights in respect thereof except to obtain payment and delivery of the monies or Common Shares, if applicable, from the Company subject to any limitation provided by the laws of the Province of Ontario. Notwithstanding the foregoing, the Trustee will pay any remaining funds prior to the expiry of six years after the setting aside described in this Section to the Company upon receipt from the Company, of an unconditional letter of credit from a Canadian chartered bank in an amount equal to or in excess of the amount of the remaining funds as security for the Company's continuing obligations hereunder, including the payments of any amounts due to holders of Debentures. If the remaining funds are paid to the Company prior to the expiry of six years after such setting aside, the Company shall reimburse the Trustee for any amounts so set aside which are required to be paid by the Trustee to a holder of a Debenture after the date of such payment of the remaining funds to the Company but prior to six years after such setting aside.

2.14 Payment of Interest

Subject to Article 5, the following provisions shall apply to Debentures, except as otherwise provided in Section 2.4(c) or specified in a resolution of the Board of Directors, an Officers' Certificate or a supplemental indenture relating to a particular series of Additional Debentures:

- (a) As interest becomes due on each Debenture (except, on conversion or on redemption, when interest may at the option of the Company be paid upon surrender of such Debenture) the Company, either directly or through the Trustee or any agent of the Trustee, shall send or forward by prepaid ordinary mail, electronic transfer of funds or such other means as may be agreed to by the Trustee, payment of such interest (less any tax required to be withheld therefrom) to the order of the registered holder of such Debenture appearing on the registers maintained by the Trustee at the close of business on the fifth Business Day prior to the applicable Interest Payment Date and addressed to the holder at the holder's last address appearing on the register, unless such holder otherwise directs. If payment is made by cheque, such cheque shall be forwarded at least three days prior to each date on which interest becomes due, and the trustee must be in receipt of the funds referenced in such cheque prior to forwarding such payment, and if payment is made by other means (such as electronic transfer of funds, provided the Trustee must receive confirmation of receipt of funds prior to being able to wire funds to holders), such payment shall be made in a manner whereby the holder receives credit for such payment on the date such interest on such Debenture becomes due. The mailing of such cheque or the making of such payment by other means shall, to the extent of the sum represented thereby, plus the amount of any tax withheld as aforesaid, satisfy and discharge all liability for interest on such Debenture, unless in the case of payment by cheque, such cheque is not paid at par on presentation. In the event of non-receipt of any cheque for or other payment of interest by the Person to whom it is so sent as aforesaid, the Company will issue to such Person a replacement cheque or other payment for a like amount upon being furnished with such evidence of non-receipt as it shall reasonably require and upon being indemnified to its satisfaction. Notwithstanding the foregoing, if the Company is prevented by circumstances beyond its control (including, without limitation, any interruption in mail service) from making payment of any interest due on each Debenture in the manner provided above, the Company may make payment of such interest or make such interest available for payment in any other manner acceptable to the Trustee with the same effect as though payment had been made in the manner provided above.
- (b) Notwithstanding Section 2.14(a), if a series of Debentures or any portion thereof is represented by a Global Debenture, then all payments of interest on the Global Debenture shall be made by electronic funds transfer made payable to the Depository or its nominee on the day interest is payable for subsequent payment to Beneficial Holders of the applicable Global Debenture, unless the Company and the Depository otherwise agree. None of the Company, the Trustee or any agent of the Trustee for any Debenture issued as a Global Debenture will be liable or responsible to any Person for any aspect of the records related to or payments made on account of beneficial interests in any Global Debenture or for

maintaining, reviewing, or supervising any records relating to such beneficial interests.

ARTICLE 3 REGISTRATION, TRANSFER, EXCHANGE AND OWNERSHIP

3.1 Fully Registered Debentures

- (a) With respect to each series of Debentures issuable as Fully Registered Debentures, the Company shall cause to be kept by and at the principal office of the Trustee in Toronto, Ontario and by the Trustee or such other registrar as the Company, with the approval of the Trustee, may appoint at such other place or places, if any, as may be specified in the Debentures of such series or as the Company may designate with the approval of the Trustee, a register in which shall be entered the names and addresses of the holders of Fully Registered Debentures and particulars of the Debentures held by them respectively and of all transfers of Fully Registered Debentures. Such registration shall be noted on the Debentures by the Trustee or other registrar unless a new Debenture shall be issued upon such transfer.
- (b) No transfer of a Fully Registered Debenture shall be valid unless made on such register referred to in Section 3.1(a) by the registered holder or such holder's executors, administrators or other legal representatives or an attorney duly appointed by an instrument in writing in form and executed in a manner satisfactory to the Trustee or other registrar upon surrender of the Debentures together with a duly executed form of transfer acceptable to the Trustee and upon compliance with such other reasonable requirements as the Trustee or other registrar may prescribe, or unless the name of the transferee shall have been noted on the Debenture by the Trustee or other registrar.

3.2 Global Debentures

- (a) With respect to each series of Debentures issuable in whole or in part as one or more Global Debentures, the Company shall cause to be kept by and at the principal offices of the Trustee in Toronto, Ontario and by the Trustee or such other registrar as the Company, with the approval of the Trustee, may appoint at such other place or places, if any, as the Company may designate with the approval of the Trustee, a register in which shall be entered the name and address of the holder of each such Global Debenture (being the Depository, or its nominee, for such Global Debenture) as holder thereof and particulars of the Global Debenture held by it, and of all transfers thereof. If any Debentures of such series are at any time not Global Debentures, the provisions of Section 3.1 shall govern with respect to registrations and transfers of such Debentures.
- (b) Notwithstanding any other provision of this Indenture, a Global Debenture may not be transferred by the registered holder thereof and accordingly, no definitive certificates shall be issued to Beneficial Holders except in the following circumstances or as otherwise specified in a resolution of the trustee, a resolution

of the Board of Directors, Officers' Certificate or supplemental indenture relating to a particular series of Additional Debentures:

- (i) Global Debentures may be transferred by a Depository to a nominee of such Depository or by a nominee of a Depository to such Depository or to another nominee of such Depository or by a Depository or its nominee to a successor Depository or its nominee;
 - (ii) Global Debentures may be transferred at any time after the Depository for such Global Debentures (i) has notified the Trustee, or the Company has notified the Trustee, that it is unwilling or unable to continue as Depository for such Global Debentures, or (ii) ceases to be eligible to be a Depository under Section 2.6(b), provided that at the time of such transfer the Company has not appointed a successor Depository for such Global Debentures;
 - (iii) Global Debentures may be transferred at any time after the Company has determined, in its sole discretion, to terminate the book-entry only registration system in respect of such Global Debentures and has communicated such determination to the Trustee in writing;
 - (iv) Global Debentures may be transferred at any time after the Trustee has determined that an Event of Default has occurred and is continuing with respect to the Debentures of the series issued as a Global Debenture, provided that Beneficial Holders representing, in the aggregate, not less than 25% of the aggregate principal amount of the Debentures of such series advise the Depository in writing, through the Depository Participants, that the continuation of the book-entry only registration system for such series of Debentures is no longer in their best interest and also provided that at the time of such transfer the Trustee has not waived the Event of Default pursuant to Section 8.3;
 - (v) Global Debentures may be transferred if required by applicable law; or
 - (vi) Global Debentures may be transferred if the book-entry only registration system ceases to exist.
- (c) With respect to the Global Debentures, unless and until definitive certificates have been issued to Beneficial Holders pursuant to the terms hereof:
- (i) the Company and the Trustee may deal with the Depository for all purposes (including paying interest on the Debentures) as the sole holder of such series of Debentures and the authorized representative of the Beneficial Holders;
 - (ii) the rights of the Beneficial Holders shall be exercised only through the Depository and shall be limited to those established by law and agreements between such Beneficial Holders and the Depository or the Depository Participants;

- (iii) the Depository will make book-entry transfers among the Depository Participants; and
 - (iv) whenever this Indenture requires or permits actions to be taken based upon instruction or directions of Debentureholders evidencing a specified percentage of the outstanding Debentures, the Depository shall be deemed to be counted in that percentage only to the extent that it has received instructions to such effect from the Beneficial Holders or the Depository Participant, and has delivered such instructions to the Trustee.
- (d) Whenever a notice or other communication is required to be provided to Debentureholders, unless and until definitive certificate(s) have been issued to Beneficial Holders pursuant to the terms hereof, the Trustee shall provide all such notices and communications to the Depository and the Depository shall deliver such notices and communications to such Beneficial Holders in accordance with Applicable Securities Legislation. Upon the termination of the book-entry only registration system on the occurrence of one of the conditions specified herein with respect to a series of Debentures issued hereunder, the Trustee shall notify all applicable Depository Participants and Beneficial Holders, through the Depository, of the availability of definitive Debenture certificates. Upon surrender by the Depository of the certificate(s) representing the Global Debentures and receipt of new registration instructions from the Depository, the Trustee shall deliver the definitive Debenture certificates for such Debentures to the holders thereof in accordance with the new registration instructions and thereafter, the registration and transfer of such Debentures will be governed by this Article 3.

3.3 United States Transfer Prohibitions

Notwithstanding anything else in this Indenture to the contrary, no direct or indirect sale or transfer of Debentures to a purchaser or transferee who is a U.S. Person or whose address is in the United States shall be valid.

3.4 Transferee Entitled to Registration

The transferee of a Debenture shall be entitled, after the appropriate form of transfer is lodged with the Trustee or other registrar and upon compliance with all other conditions in that behalf required by this Indenture or by law, to be entered on the register as the owner of such Debenture free from all equities or rights of set-off or counterclaim between the Company and the transferor or any previous holder of such Debenture, save in respect of equities of which the Company is required to take notice by statute or by order of a court of competent jurisdiction.

3.5 No Notice of Trusts

Neither the Company nor the Trustee nor any registrar shall be bound to take notice of or see to the execution of any trust (other than that created by this Indenture) whether express, implied or constructive, in respect of any Debenture, and may transfer the same on the direction of the Person registered as the holder thereof, whether named as trustee or otherwise, as though that Person were the beneficial owner thereof.

3.6 Registers Open for Inspection

The registers referred to in Section 3.1 shall at all reasonable times be open for inspection by the Company, the Trustee or any Debentureholder. Every registrar, including the Trustee, shall from time to time when requested so to do by the Company or by the Trustee, in writing, furnish the Company or the Trustee, as the case may be, with a list of names and addresses of holders of registered Debentures entered on the register kept by them and showing the principal amount and serial numbers of the Debentures held by each such holder, provided the Trustee shall be entitled to charge a reasonable fee to provide such a list.

3.7 Exchanges of Debentures

- (a) Subject to Section 3.8, Debentures in any authorized form or denomination, other than Global Debentures, may be exchanged for Debentures in any other authorized form or denomination, of the same series and date of maturity, bearing the same interest rate and of the same aggregate principal amount as the Debentures so exchanged.
- (b) In respect of exchanges of Debentures permitted by Section 3.7(a), Debentures of any series may be exchanged only at the principal office of the Trustee in Toronto, Ontario or at such other place or places, if any, as may be specified in the Debentures of such series and at such other place or places as may from time to time be designated by the Company with the approval of the Trustee. Any Debentures tendered for exchange shall be surrendered to the Trustee. The Company shall execute and the Trustee shall certify all Debentures necessary to carry out exchanges as aforesaid. All Debentures surrendered for exchange shall be cancelled.
- (c) Debentures issued in exchange for Debentures which at the time of such issue have been selected or called for redemption at a later date shall be deemed to have been selected or called for redemption in the same manner and shall have noted thereon a statement to that effect.

3.8 Closing of Registers

- (a) Neither the Company nor the Trustee nor any registrar shall be required to:
 - (i) make transfers or exchanges or convert any of Fully Registered Debentures on any Interest Payment Date for such Debentures or during the five preceding Business Days;
 - (ii) make transfers or exchanges of, or convert any Debentures on the day of any selection by the Trustee of Debentures to be redeemed or during the five preceding Business Days; or
 - (iii) make exchanges of any Debentures which will have been selected or called for redemption unless upon due presentation thereof for redemption such Debentures shall not be redeemed.

- (b) Subject to any restriction herein provided, the Company with the approval of the Trustee may at any time close any register for any series of Debentures, other than those kept at the principal office of the Trustee in Toronto, Ontario, and transfer the registration of any Debentures registered thereon to another register (which may be an existing register) and thereafter such Debentures shall be deemed to be registered on such other register. Notice of such transfer shall be given to the holders of such Debentures.

3.9 Charges for Registration, Transfer and Exchange

For each Debenture exchanged, registered, transferred or discharged from registration, the Trustee or other registrar, except as otherwise herein provided, may make a reasonable charge for its services and in addition may charge a reasonable sum for each new Debenture issued (such amounts to be agreed upon from time to time by the Trustee and the Company), and payment of such charges and reimbursement of the Trustee or other registrar for any stamp taxes or governmental or other charges required to be paid shall be made by the party requesting such exchange, registration, transfer or discharge from registration as a condition precedent thereto. Notwithstanding the foregoing provisions, no charge shall be made to a Debentureholder hereunder:

- (a) for any exchange, registration, transfer or discharge from registration of any Debenture applied for within a period of two months from the date of the first delivery of Debentures of that series or, with respect to Debentures subject to a Periodic Offering, within a period of two months from the date of delivery of any such Debenture;
- (b) for any exchange of any interim or temporary Debenture or interim certificate that has been issued under Section 2.9 for a definitive Debenture;
- (c) for any exchange of a Global Debenture as contemplated in Section 3.1; or
- (d) for any exchange of any Debenture resulting from a partial redemption under Section 4.2.

3.10 Ownership of Debentures

- (a) Unless otherwise required by law, the Person in whose name any registered Debenture is registered shall for all the purposes of this Indenture be and be deemed to be the owner thereof and payment of or on account of the principal of and premium, if any, on such Debenture and interest thereon shall be made to such registered holder.
- (b) The registered holder for the time being of any registered Debenture shall be entitled to the principal and interest evidenced by such instrument free from all equities or rights of set-off or counterclaim between the Company and the original or any intermediate holder thereof and all Persons may act accordingly and the receipt of any such registered holder for any such principal and interest shall be a good discharge to the Trustee, any registrar and to the Company for the same and none shall be bound to inquire into the title of any such registered holder.

- (c) Where Debentures are registered in more than one name, the principal and interest from time to time payable in respect thereof may be paid to the order of all such holders, and the receipt of any one of such holders therefor shall be a valid discharge, to the Trustee, any registrar and to the Company.

ARTICLE 4 REDEMPTION AND PURCHASE OF DEBENTURES

4.1 Applicability of Article

Subject to regulatory approval, if applicable, Section 2.4(d) and Article 5, the Company shall have the right at its option to redeem, either in whole at any time or in part from time to time before maturity, either by payment of money, by issuance of Freely Tradeable Common Shares as provided in Section 4.6 or any combination thereof, any Debentures issued hereunder of any series which by their terms are made so redeemable (subject, however, to any applicable restriction on the redemption of Debentures of such series) and on such date or dates and in accordance with such other provisions as shall have been determined at the time of issue of such Debentures and as shall have been expressed in this Indenture, in the Debentures, in an Officers' Certificate, or in a supplemental indenture authorizing or providing for the issue thereof, or in the case of Additional Debentures issued pursuant to a Periodic Offering, in the Written Direction of the Company requesting the certification and delivery thereof.

Subject to regulatory approval, if applicable, and Article 5, the Company shall also have the right at its option to repay, either in whole or in part, on maturity, either by payment of money in accordance with Section 2.13, by issuance of Freely Tradeable Common Shares as provided in Section 4.10 or any combination thereof, any Debentures issued hereunder of any series which by their terms are made so repayable on maturity (subject however, to any applicable restriction on the repayment of the principal amount of the Debentures of such series) on such date or dates and in accordance with such other provisions as shall have been determined at the time of issue of such Debenture and shall have been expressed in this Indenture, in the Debentures, in an Officers' Certificate, or in a supplemental indenture authorizing or providing for the issue thereof, or in the case of Additional Debentures issued pursuant to a Periodic Offering, in the Written Direction of the Company requesting the certification and delivery thereof.

4.2 Partial Redemption

If less than all the Debentures of any series for the time being outstanding are at any time to be redeemed, or if a portion of the Debentures being redeemed are being redeemed for cash and a portion of such Debentures are being redeemed by the payment of Freely Tradeable Common Shares pursuant to Section 4.6, the Debentures to be so redeemed shall be selected by the Trustee on a pro rata basis to the nearest multiple of \$1,000 in accordance with the principal amount of the Debentures registered in the name of each holder or in such other manner as the Trustee deems equitable, subject to the approval of the Toronto Stock Exchange or such other exchange on which the Debentures are then listed, as may be required from time to time. Unless otherwise specifically provided in the terms of any series of Debentures, no Debenture shall be redeemed in part unless the principal amount redeemed is \$1,000 or a multiple thereof. For this purpose, the Trustee may make, and from time to time vary, regulations with respect to the manner in which such Debentures may be drawn for redemption and regulations so made shall

be valid and binding upon all holders of such Debentures notwithstanding that as a result thereof one or more of such Debentures may become subject to redemption in part only. In the event that one or more of such Debentures becomes subject to redemption in part only, upon surrender of any such Debentures for payment of the Redemption Price, the Company shall execute and the Trustee shall certify and deliver without charge to the holder thereof or upon the holder's order one or more new Debentures for the unredeemed part of the principal amount of the Debenture or Debentures so surrendered or, with respect to a Global Debenture, the Depository shall make notations on the Global Debenture of the principal amount thereof so redeemed. Unless the context otherwise requires, the terms "**Debenture**" or "**Debentures**" as used in this Article 4 shall be deemed to mean or include any part of the principal amount of any Debenture which in accordance with the foregoing provisions has become subject to redemption.

4.3 Notice of Redemption

Notice of redemption (the "**Redemption Notice**") of any series of Debentures shall be given to the holders of the Debentures so to be redeemed not more than 60 days nor less than 30 days (40 days if the Company exercises the Common Share Redemption Right) prior to the date fixed for redemption (the "**Redemption Date**") in the manner provided in Section 14.2. Every such notice shall specify the aggregate principal amount of Debentures called for redemption, the Redemption Date, the Redemption Price and the places of payment and shall state that interest upon the principal amount of Debentures called for redemption shall cease to be payable from and after the Redemption Date. In addition, unless all the outstanding Debentures are to be redeemed, the Redemption Notice shall specify:

- (a) the distinguishing letters and numbers of the registered Debentures which are to be redeemed (or of such thereof as are registered in the name of such Debentureholder);
- (b) in the case of a published notice, the distinguishing letters and numbers of the Debentures which are to be redeemed or, if such Debentures are selected by terminal digit or other similar system, such particulars as may be sufficient to identify the Debentures so selected;
- (c) in the case of a Global Debenture, that the redemption will take place in such manner as may be agreed upon by the Depository, the Trustee and the Company; and
- (d) in all cases, the principal amounts of such Debentures or, if any such Debenture is to be redeemed in part only, the principal amount of such part.

In the event that all Debentures to be redeemed are registered Debentures, publication shall not be required.

4.4 Debentures Due on Redemption Dates

Notice having been given as aforesaid, all the Debentures so called for redemption shall thereupon be and become due and payable at the Redemption Price on the Redemption Date specified in such notice, in the same manner and with the same effect as if it were the date of maturity specified in such Debentures, anything therein or herein to the contrary

notwithstanding, and from and after such Redemption Date, if the monies necessary to redeem, or the Common Shares to be issued to redeem, such Debentures shall have been deposited as provided in Section 4.5 and affidavits or other proof satisfactory to the Trustee as to the publication and/or mailing of such notices shall have been lodged with it, interest upon the Debentures shall cease. If any question shall arise as to whether any notice has been given as above provided and such deposit made, such question shall be decided by the Trustee whose decision shall be final and binding upon all parties in interest.

4.5 Deposit of Redemption Monies or Common Shares

Redemption of Debentures shall be provided for by the Company depositing with the Trustee or any paying agent to the order of the Trustee, on or before 11:00 a.m. (Toronto time) on the Business Day immediately prior to the Redemption Date specified in such notice, such sums of money, or certificates representing such Common Shares, or both as the case may be, as may be sufficient to pay the Redemption Price of the Debentures so called for redemption. The Company shall also deposit with the Trustee a sum of money sufficient to pay any charges or expenses which may be incurred by the Trustee in connection with such redemption. From the sums so deposited, or certificates so deposited, or both, the Trustee shall pay or cause to be paid, or issue or cause to be issued, to the holders of such Debentures so called for redemption, upon surrender of such Debentures, the principal and interest (if any) to which they are entitled on redemption.

4.6 Right to Repay Redemption Principal Amount in Common Shares

- (a) Subject to the receipt of any required regulatory approvals, the provisions governing any series of Debentures (including, in respect of the Initial Debentures, Section 2.4(d)) and the other provisions of this Section 4.6, the Company may, at its option, in exchange for or in lieu of paying the Redemption Price in money, elect to satisfy its obligation to pay all or any portion of the Redemption Price by issuing and delivering to holders on the Redemption Date that number of Freely Tradeable Common Shares obtained by dividing the Redemption Price (or applicable portion thereof to be satisfied by the issuance and delivery of Freely Tradeable Common Shares) by 95% of the Current Market Price of the Common Shares on the Redemption Date (the “**Common Share Redemption Right**”).
- (b) The Company shall exercise the Common Share Redemption Right by so specifying in the Redemption Notice and shall also specify the aggregate principal amount of Debentures in respect of which it is exercising the Common Share Redemption Right in such notice.
- (c) The Company’s right to exercise the Common Share Redemption Right shall be conditional upon the following conditions being met on the Business Day preceding the Redemption Date:
 - (i) the issuance of the Common Shares on the exercise of the Common Share Redemption Right shall be made in accordance with Applicable Securities Legislation and such Common Shares shall be Freely Tradeable Common Shares;

- (ii) such additional Freely Tradeable Common Shares shall be approved for listing on the Toronto Stock Exchange or a national securities exchange or quoted in an inter-dealer quotation system of any registered national securities association, subject only to the satisfaction of standard listing conditions;
- (iii) the Company shall be a reporting issuer in good standing under Applicable Securities Legislation in all jurisdictions in which the Company is a reporting issuer on the date of the Indenture, except to the extent that any such jurisdiction no longer has such concept;
- (iv) no Event of Default shall have occurred and be continuing;
- (v) the Trustee shall have received an Officers' Certificate stating that conditions (i), (ii), (iii) and (iv) above have been satisfied and setting forth the number of Common Shares to be delivered for each \$1,000 principal amount of Debentures and the Current Market Price of the Common Shares on the Redemption Date; and
- (vi) the Trustee shall have received an opinion of Counsel to the effect that such Common Shares have been duly authorized and, when issued and delivered pursuant to the terms of this Indenture in payment of the Redemption Price, will be validly issued as fully paid and non-assessable, that conditions (i) and (ii) above have been satisfied and that, relying exclusively on certificates of good standing or similar reports issued by the relevant securities authorities, condition (iii) above is satisfied, except that the opinion in respect of condition (iii) need not be expressed with respect to those provinces where certificates are not issued.

If the foregoing conditions are not satisfied prior to the close of business on the Business Day preceding the Redemption Date, the Company shall pay the Redemption Price in cash in accordance with Section 4.5 unless the Debentureholder waives the conditions which are not satisfied.

- (d) In the event that the Company duly exercises its Common Share Redemption Right, upon presentation and surrender of the Debentures for payment on the Redemption Date, at any place where a register is maintained pursuant to Article 3 or any other place specified in the Redemption Notice, the Company shall on or before 11:00 a.m. (Toronto time) on the Business Day immediately prior to the Redemption Date make the delivery to the Trustee for delivery to and on account of the holders, of certificates representing the Freely Tradeable Common Shares to which such holders are entitled. The Company shall also, subject to Article 5, deposit with the Trustee a sum of money sufficient to pay any charges or expenses which may be incurred by the Trustee in connection with the Common Share Redemption Right. Every such deposit shall be irrevocable. The delivery of such certificates to the Trustee will satisfy and discharge the liability of the Company for the redeemed Debentures to which the delivery of certificates relates to the extent of the amount delivered (plus the amount of any certificates sold to pay applicable taxes in accordance with this Section 4.6) and upon completion of the

redemption of such Debentures, such Debentures will thereafter to that extent not be considered as outstanding under this Indenture and such holder will have no other right in regard thereto other than to receive out of the certificates so delivered, the certificate(s) to which it is entitled.

- (e) No fractional Freely Tradeable Common Shares shall be delivered upon the exercise of the Common Share Redemption Right but, in lieu thereof, the Company shall pay to the Trustee for the account of the holders, at the time contemplated in Section 4.6(d), the cash equivalent thereof determined on the basis of the Current Market Price of the Common Shares on the Redemption Date (less any tax required to be deducted, if any).
- (f) A holder shall be treated as the shareholder of record of the Freely Tradeable Common Shares issued on due exercise by the Company of its Common Share Redemption Right effective immediately after the close of business on the Redemption Date, and shall be entitled to all substitutions therefor, all income earned thereon or accretions thereto and all dividends or distributions (including distributions and dividends in kind) thereon provided that the record date for determining the holders of Common Shares entitled to receive such substitutions, income, dividends or distributions is on or after the Redemption Date, and in the event that the Trustee receives the same, it shall hold the same in trust for the benefit of such holder.
- (g) The Company shall at all times reserve and keep available out of its authorized Common Shares (if the number thereof is or becomes limited), solely for the purpose of issue and delivery upon the exercise of the Common Share Redemption Right as provided herein, and shall issue to Debentureholders to whom Freely Tradeable Common Shares will be issued pursuant to exercise of the Common Share Redemption Right, such number of Freely Tradeable Common Shares as shall be issuable in such event. All Freely Tradeable Common Shares which shall be so issuable shall be duly and validly issued as fully paid and non-assessable.
- (h) The Company shall comply with all Applicable Securities Legislation regulating the issue and delivery of Freely Tradeable Common Shares upon exercise of the Common Share Redemption Right and shall cause to be listed and posted for trading such Common Shares on each stock exchange on which the Common Shares are then listed.
- (i) The Company shall from time to time promptly pay, or make provision satisfactory to the Trustee for the payment of, all taxes and charges which may be imposed by the laws of Canada or any province thereof (except income tax, withholding tax or security transfer tax, if any) which shall be payable with respect to the issuance or delivery of Freely Tradeable Common Shares to holders upon exercise of the Common Share Redemption Right pursuant to the terms of the Debentures and of this Indenture.
- (j) If the Company elects to satisfy its obligation to pay all or any portion of the Redemption Price by issuing Freely Tradeable Common Shares in accordance

with this Section 4.6 and if the Redemption Price (or any portion thereof) to which a holder is entitled is subject to withholding taxes and the amount of the cash payment of the Redemption Price, if any, is insufficient to satisfy such withholding taxes, the Trustee, on the Written Direction of the Company but for the account of the holder, shall sell, through the investment banks, brokers or dealers selected by the Company, out of the Freely Tradeable Common Shares issued by the Company for this purpose, such number of Freely Tradeable Common Shares that together with the cash payment of the Redemption Price, if any, is sufficient to yield net proceeds (after payment of all costs) to cover the amount of taxes required to be withheld, and shall remit same on behalf of the Company to the proper tax authorities within the period of time prescribed for this purpose under applicable laws.

4.7 Failure to Surrender Debentures Called for Redemption

In case the holder of any Debenture so called for redemption shall fail on or before the Redemption Date so to surrender such holder's Debenture, or shall not within such time accept payment of the redemption monies payable, or take delivery of certificates representing such Common Shares issuable in respect thereof, or give such receipt therefor, if any, as the Trustee may require, such redemption monies may be set aside in trust, or such certificates may be held in trust without interest, either in the deposit department of the Trustee or in a chartered bank, and such setting aside shall for all purposes be deemed a payment to the Debentureholder of the sum or Common Shares so set aside and, to that extent, the Debenture shall thereafter not be considered as outstanding hereunder and the Debentureholder shall have no other right except to receive payment out of the monies so paid and deposited, or take delivery of the certificates so deposited, or both, upon surrender and delivery up of such holder's Debenture of the Redemption Price, as the case may be, of such Debenture. In the event that any money, or certificates representing Common Shares, required to be deposited hereunder with the Trustee or any depository or paying agent on account of principal and interest, if any, on Debentures issued hereunder shall remain so deposited for a period of six years from the Redemption Date, then such monies or certificates representing Common Shares, together with any accumulated interest thereon or any distribution paid thereon, shall at the end of such period be paid over or delivered over by the Trustee or such depository or paying agent to the Company on its demand, and thereupon the Trustee shall not be responsible to Debentureholders for any amounts owing to them and subject to applicable law, thereafter the holder of a Debenture in respect of which such money was so repaid to the Company shall have no rights in respect thereof except to obtain payment of the money or certificates due from the Company, subject to any limitation period provided by the laws of the Province of Ontario. Notwithstanding the foregoing, the Trustee will pay any remaining funds prior to the expiry of six years after the Redemption Date to the Company upon receipt from the Company, of an unconditional letter of credit from a Canadian chartered bank in an amount equal to or in excess of the amount of the remaining funds as security for the Company's continuing obligations hereunder, including the payments of any amounts due to holders of Debentures. If the remaining funds are paid to the Company prior to the expiry of six years after the Redemption Date, the Company shall reimburse the Trustee for any amounts required to be paid by the Trustee to a holder of a Debenture pursuant to the redemption after the date of such payment of the remaining funds to the Company but prior to six years after the redemption.

4.8 Cancellation of Debentures Redeemed

Subject to the provisions of Sections 4.2 and 4.9 as to Debentures redeemed or purchased in part, all Debentures redeemed and paid under this Article 4 shall forthwith be delivered to the Trustee and cancelled and no Debentures shall be issued in substitution for those redeemed.

4.9 Purchase of Debentures by the Company

Unless otherwise specifically provided with respect to a particular series of Debentures, the Company may, if it is not at the time in default hereunder, at any time and from time to time, purchase Debentures in the open market (which shall include purchases from or through an investment dealer or a firm holding membership on a recognized stock exchange) or by tender at any price or by contract or by private agreement. All Debentures so purchased will be delivered to the Trustee and shall be cancelled and no Debentures shall be issued in substitution therefor.

If, upon an invitation for tenders, more Debentures are tendered at the same lowest price than the Company is prepared to accept, the Debentures to be purchased by the Company shall be selected by the Trustee on a *pro rata* basis or in such other manner consented to by the Toronto Stock Exchange or such other exchange on which the Debentures are then listed which the Trustee considers appropriate, from the Debentures tendered by each tendering Debentureholder who tendered at such lowest price. For this purpose the Trustee may make, and from time to time amend, regulations with respect to the manner in which Debentures may be so selected, and regulations so made shall be valid and binding upon all Debentureholders, notwithstanding the fact that as a result thereof one or more of such Debentures become subject to purchase in part only. The holder of a Debenture of which a part only is purchased, upon surrender of such Debenture for payment, shall be entitled to receive, without expense to such holder, one or more new Debentures for the unpurchased part so surrendered, and the Trustee shall certify and deliver such new Debenture or Debentures upon receipt of the Debenture so surrendered or, with respect to a Global Debenture, the Depository shall make notations on the Global Debenture of the principal amount thereof so purchased.

4.10 Right to Repay Principal Amount and Accrued Interest in Common Shares

- (a) Subject to the receipt of any required regulatory approvals, the provisions governing any series of Debentures (including, in respect of the Initial Debentures, Section 2.4(g)) and the other provisions of this Section 4.10, the Company may, at its option, in exchange for or in lieu of repaying the Debentures in money, elect to satisfy its obligation to repay all or any portion of the principal amount of the Debentures outstanding, together with all accrued and unpaid interest thereon, by issuing and delivering to holders on the Maturity Date of such Debentures that number of Freely Tradeable Common Shares obtained by dividing the principal amount of the Debentures (or applicable portion thereof to be satisfied by the issuance and delivery of Freely Tradeable Common Shares) together with accrued and unpaid interest, by 95% of the Current Market Price of the Common Shares on the Maturity Date (the “**Common Share Repayment Right**”).
- (b) The Company shall exercise the Common Share Repayment Right by so specifying in the Maturity Notice, which shall be delivered to the Trustee and the

holders of Debentures not more than 60 days and not less than 40 days prior to the Maturity Date, and which shall also specify the aggregate principal amount of Debentures in respect of which it is exercising the Common Share Repayment Right on the Maturity Date.

- (c) The Company's right to exercise the Common Share Repayment Right shall be conditional upon the following conditions being met on the Business Day preceding the Maturity Date:
- (i) the issuance of the Common Shares on the exercise of the Common Share Repayment Right shall be made in accordance with Applicable Securities Legislation and such Common Shares shall be issued as Freely Tradeable Common Shares;
 - (ii) such additional Freely Tradeable Common Shares shall be approved for listing listed on the Toronto Stock Exchange or a national securities exchange or quoted in an inter-dealer quotation system of any registered national securities association, subject only to the satisfaction of standard listing conditions;
 - (iii) the Company shall be a reporting issuer in good standing under Applicable Securities Legislation in all jurisdictions in which the Company is a reporting issuer on the date of this Indenture, except to the extent that any such jurisdiction no longer has such concept;
 - (iv) no Event of Default shall have occurred and be continuing;
 - (v) the Trustee shall have received an Officers' Certificate stating that conditions (i), (ii), (iii) and (iv) above have been satisfied and setting forth the number of Common Shares to be delivered for each \$1,000 principal amount of Debentures and the Current Market Price of the Common Shares on the Maturity Date; and
 - (vi) the Trustee shall have received an opinion of Counsel to the effect that such Common Shares have been duly authorized and, when issued and delivered pursuant to the terms of this Indenture in payment of the principal amount of the Debentures outstanding, together with all accrued and unpaid interest thereon, will be validly issued as fully paid and non-assessable, that conditions (i) and (ii) above have been satisfied and that, relying exclusively on certificates of good standing or similar reports issued by the relevant securities authorities, condition (iii) above is satisfied, except that the opinion in respect of condition (iii) need not be expressed with respect to those provinces where certificates are not issued.

If the foregoing conditions are not satisfied prior to the close of business on the Business Day preceding the Maturity Date, the Company shall pay the principal amount of the Debentures outstanding, together with all accrued and unpaid interest thereon, in cash in accordance with Section 2.13, unless the Debentureholder waives the conditions which are not satisfied.

- (d) In the event that the Company duly exercises its Common Share Repayment Right, upon presentation and surrender of the Debentures for payment on the Maturity Date, at any place where a register is maintained pursuant to Article 3 or any other place specified in the Maturity Notice, the Company shall on or before 11:00 a.m. (Toronto time) on the Business Day immediately prior to the Maturity Date make the delivery to the Trustee for delivery to and on account of the holders, of certificates representing the Freely Tradeable Common Shares to which such holders are entitled. The Company shall also, subject to Article 5, deposit with the Trustee a sum of money sufficient to pay any charges or expenses which may be incurred by the Trustee in connection with the Common Share Repayment Right. Every such deposit shall be irrevocable. From the certificates so deposited in addition to amounts payable by the Trustee pursuant to Section 2.13, the Trustee shall pay or cause to be paid, to the holders of such Debentures, upon surrender of such Debentures, the principal amount of to which they are entitled on maturity and deliver to such holders the certificates to which such holders are entitled. The delivery of such certificates to the Trustee will satisfy and discharge the liability of the Company for the Debentures to which the delivery of certificates relates to the extent of the amount delivered (plus the amount of any Freely Tradable Common Shares sold to pay applicable taxes in accordance with this Section 4.10) and such Debentures will thereafter to that extent not be considered as outstanding under this Indenture and such holder will have no other right in regard thereto other than to receive out of the certificates so delivered, the certificate(s) to which it is entitled.
- (e) No fractional Freely Tradeable Common Shares shall be delivered upon the exercise of the Common Share Repayment Right but, in lieu thereof, the Company shall pay to the Trustee for the account of the holders, at the time contemplated in Section 4.10(d), the cash equivalent thereof determined on the basis of the Current Market Price of the Common Shares on the Maturity Date (less any tax required to be deducted, if any).
- (f) A holder shall be treated as the shareholder of record of the Freely Tradeable Common Shares issued on due exercise by the Company of its Common Share Repayment Right effective immediately after the close of business on the Maturity Date, and shall be entitled to all substitutions therefor, all income earned thereon or accretions thereto and all dividends or distributions (including distributions and dividends in kind) thereon provided that the record date for determining the holders of Common Shares entitled to receive such substitutions, income, dividends or distributions is on or after the Redemption Date, and in the event that the Trustee receives the same, it shall hold the same in trust for the benefit of such holder.
- (g) The Company shall at all times reserve and keep available out of its authorized Common Shares (if the number thereof is or becomes limited), solely for the purpose of issue and delivery upon the exercise of the Common Share Repayment Right as provided herein, and shall issue to Debentureholders to whom Freely Tradeable Common Shares will be issued pursuant to exercise of the Common Share Repayment Right, such number of Freely Tradeable Common Shares as

shall be issuable in such event. All Freely Tradeable Common Shares which shall be so issuable shall be duly and validly issued as fully paid and non-assessable.

- (h) The Company shall comply with all Applicable Securities Legislation regulating the issue and delivery of Freely Tradeable Common Shares upon exercise of the Common Share Repayment Right and shall cause to be listed and posted for trading such Freely Tradeable Common Shares on each stock exchange on which the Common Shares are then listed.
- (i) The Company shall from time to time promptly pay, or make provision satisfactory to the Trustee for the payment of, all taxes and charges which may be imposed by the laws of Canada or any province thereof (except income tax, withholding tax or security transfer tax, if any) which shall be payable with respect to the issuance or delivery of Freely Tradeable Common Shares to holders upon exercise of the Common Share Repayment Right pursuant to the terms of the Debentures and of this Indenture.
- (j) If the Company elects to satisfy its obligation to pay all or any portion of the principal amount of Debentures due on maturity together with all accrued and unpaid interest thereon by issuing Freely Tradeable Common Shares in accordance with this Section 4.10 and if the amount (or any portion thereof) to which a holder is entitled is subject to withholding taxes and the amount of the cash payment due on maturity, if any, is insufficient to satisfy such withholding taxes, the Trustee, on the Written Direction of the Company but for the account of the holder, shall sell, through the investment banks, brokers or dealers selected by the Company, out of the Freely Tradeable Common Shares issued by the Company for this purpose, such number of Freely Tradeable Common Shares that together with the cash component of the amount due on maturity is sufficient to yield net proceeds (after payment of all costs) to cover the amount of taxes required to be withheld, and shall remit same on behalf of the Company to the proper tax authorities within the period of time prescribed for this purpose under applicable laws.
- (k) When the Company determines the number of Common Shares issued pursuant to an election in accordance with Section 4.6 or 4.10, the Company will issue a news release on a national newswire disclosing the number of Common Shares issued.

ARTICLE 5

SUBORDINATION OF DEBENTURES

5.1 Applicability of Article

The indebtedness, liabilities and obligations of the Company hereunder or under the Debentures, whether on account of principal, interest or otherwise, including any payment of cash in lieu of the issuance of Common Shares pursuant to Section 6.13, but excluding the issuance of Common Shares upon any conversion pursuant to Article 6, upon any redemption pursuant to Article 4, or at maturity pursuant to Article 4 (collectively, the “**Debenture Liabilities**”), shall be subordinated and postponed and subject in right of payment, to the extent and in the manner hereinafter set forth in the following Sections of this Article 5, to the full and

final payment of all Senior Indebtedness, and each holder of any such Debenture by his, her or its acceptance thereof agrees to and shall be bound by the provisions of this Article 5.

5.2 Order of Payment

In the event of any insolvency or bankruptcy proceedings, or any receivership, creditor enforcement, realization, liquidation or similar proceedings relative to the Company or its Subsidiaries, or to its or their property or assets, whether voluntary or involuntary, partial or complete, or in the event of any proceedings for liquidation, dissolution or winding-up of the Company or its Subsidiaries, whether or not involving insolvency or bankruptcy and whether voluntary or involuntary, partial or complete, or any marshalling of the assets and liabilities of the Company or its Subsidiaries:

- (a) all Senior Indebtedness shall first be paid in full, before any payment or distribution of any kind or character, whether in cash, property or securities, is made on account of Debenture Liabilities;
- (b) any payment or distribution of assets of the Company, whether in cash, property or securities, to which the holders of the Debentures or the Trustee on behalf of such holders would be entitled except for the provisions of this Article 5, shall be paid or delivered by the trustee in bankruptcy, receiver, assignee for the benefit of creditors, or other liquidating agent making such payment or distribution, directly to the holders of Senior Indebtedness or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing any of such Senior Indebtedness may have been issued, to the extent necessary to pay all Senior Indebtedness in full after giving effect to any concurrent payment or distribution, or provision therefor, to the holders of such Senior Indebtedness; and
- (c) the Senior Creditors or a receiver or a receiver-manager of the Company or of all or part of its assets or any other enforcement agent may sell, mortgage, or otherwise dispose of the Company's assets in whole or in part, free and clear of all Debenture Liabilities and without the approval of the Debentureholders or the Trustee or any requirement to account to the Trustee or the Debentureholders.

The rights and priority of the Senior Indebtedness and the subordination pursuant hereto shall not be affected by:

- (i) whether or not the Senior Indebtedness is secured;
- (ii) the time, sequence or order of creating, granting, executing, delivering of, or registering, perfecting or failing to register or perfect any security notice, caveat, financing statement or other notice in respect of the Senior Security;
- (iii) the time or order of the attachment, perfection or crystallization of any security constituted by the Senior Security;
- (iv) the taking of any collection, enforcement or realization proceedings pursuant to the Senior Security;

- (v) the date of obtaining of any judgment or order of any bankruptcy court or any court administering bankruptcy, insolvency or similar proceedings as to the entitlement of the Senior Creditors, or any of them or the Debentureholders or any of them to any money or property of the Company or its Subsidiaries;
- (vi) the failure to exercise any power or remedy reserved to the Senior Creditors under the Senior Security or to insist upon a strict compliance with any terms thereof;
- (vii) whether any Senior Security is now perfected, hereafter ceases to be perfected, is avoidable by any trustee in bankruptcy or like official or is otherwise set aside, invalidated or lapses;
- (viii) the date of giving or failing to give notice to or making demand upon the Company or any of its Subsidiaries; or
- (ix) any other matter whatsoever.

5.3 Obligation to Pay Not Impaired

Nothing contained in this Article 5 or elsewhere in this Indenture or in the Debentures is intended to or shall impair, as between the Company, its creditors other than the holders of Senior Indebtedness, and the holders of the Debentures, the obligation of the Company, which is absolute and unconditional, to pay to the holders of the Debentures the principal of and interest on the Debentures (whether in cash or in kind), as and when the same shall become due and payable in accordance with their terms, or affect the relative rights of the holders of the Debentures and creditors of the Company other than the holders of the Senior Indebtedness, nor shall anything herein or therein prevent the Trustee or the holder of any Debenture from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, subject to this Article 5. The fact that any such payment is prohibited by Sections 5.2 or 5.4 shall not prevent the failure to make such payment from being an Event of Default hereunder. Nothing contained in this Article 5 or elsewhere in this Indenture, or in any of the Debentures, shall prevent the conversion of the Debentures in accordance with their terms or, except as prohibited by Sections 5.2 or 5.4, the application by the Trustee of any monies deposited with the Trustee hereunder for the purpose, to the payment of or on account of the Debenture Liabilities. This Section 5.3 is subject to the rights of the holders of Senior Indebtedness and the obligations of the parties related thereto.

5.4 No Payment if Designated Indebtedness in Default

- (a) Upon the maturity of any Designated Indebtedness by lapse of time, acceleration or otherwise, or any other enforcement of any Designated Indebtedness, then, all such Designated Indebtedness shall first be paid in full, before any payment is made on account of the Debenture Liabilities.
- (b) In case of a circumstance constituting a default or event of default with respect to any Designated Indebtedness permitting (whether at that time or

upon notice, lapse of time, or satisfaction of any other condition precedent) a Designated Indebtedness Creditor to demand payment or accelerate the maturity thereof where the notice of such default or event of default has been given by or on behalf of any of the holders of any Designated Indebtedness to the Company or the Company otherwise has knowledge thereof, unless and until such default or event of default shall have been cured or waived, no payment (by purchase of Debentures or otherwise) shall be made by the Company with respect to the Debenture Liabilities and neither the Trustee nor the holders of Debentures shall be entitled to demand, institute proceedings for the collection of (which shall, for certainty include proceedings related to an adjudication or declaration as to the insolvency or bankruptcy of the Company and other similar creditor proceedings), or receive any payment or benefit (including without limitation by set-off, combination of accounts, or realization of security, or otherwise in any manner whatsoever) on account of the Debentures after the happening of such a default or event of default, and unless and until such default or event of default shall have been cured or waived, such payments shall be held in trust for the benefit of, and, if and when such Designated Indebtedness shall have become due and payable, shall be paid over to, the holders of the Designated Indebtedness or their representative or representatives or, if applicable, to the trustee or trustees under any indenture under which any instruments evidencing an amount of Designated Indebtedness remaining unpaid, until all such Designated Indebtedness shall have been paid in full.

- (c) With respect to the value of any payments or distributions in cash, property or other assets that any of the holders of Debentures pay over to the holders of Senior Indebtedness pursuant to the terms of this Article, the holders of Debentures shall be subrogated to the rights of the holders of Senior Indebtedness; provided, however, that each holder of a Debenture by acceptance thereof agrees not to assert or enforce any such right of subrogation until the Senior Indebtedness has been repaid and discharged in full.
- (d) The fact that any payment hereunder is prohibited by this Section 5.4 shall not prevent the failure to make such payment from being an Event of Default hereunder.

5.5 Confirmation of Subordination

Each holder of Debentures by his acceptance thereof authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to effect the subordination as provided in this Article 5 and appoints the Trustee his attorney-in-fact for any and all such purposes. Upon request of the Company, and upon being furnished an Officers' Certificate stating that one or more named Persons are Senior Creditors and specifying the amount and nature of the Senior Indebtedness of such Senior Creditor, the Trustee shall enter into a contractual subordination agreement or agreements with the Company and the person or persons named in such Officers' Certificate providing that such person or persons are entitled to all the rights and benefits of this Article 5 as a Senior Creditor and for such other matters, including those in addition to the provisions of this Article 5, such as an agreement not to amend the

provisions of this Article 5 and the definitions herein without the consent of such Senior Creditor, as the Senior Creditor may reasonably request. Such agreement shall be conclusive evidence that the indebtedness specified therein is Senior Indebtedness, however, nothing herein shall impair the rights of any Senior Creditor who has not entered into such an agreement.

5.6 Knowledge of Trustee

Notwithstanding the provisions of this Article 5 or any provision in this Indenture or in the Debentures contained, the Trustee will not be charged with knowledge of any Senior Indebtedness or of any default in the payment thereof, or of the existence of any Event of Default or any other fact that would prohibit the making of any payment of monies to or by the Trustee, or the taking of any other action by the Trustee, unless and until the Trustee has received written notice thereof from the Company, any Debentureholder or any Senior Creditor.

5.7 Trustee May Hold Senior Indebtedness

The Trustee is entitled to all the rights set forth in this Article 5 with respect to any Senior Indebtedness at the time held by it, to the same extent as any other holder of Senior Indebtedness, and nothing in this Indenture deprives the Trustee of any of its rights as such holder.

5.8 Rights of Holders of Senior Indebtedness Not Impaired

No right of any present or future holder of any Senior Indebtedness to enforce the subordination herein will at any time or in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any non-compliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof which any such holder may have or be otherwise charged with.

5.9 Altering Senior Indebtedness

The holders of any Senior Indebtedness have the right to extend, renew, modify or amend the terms of such Senior Indebtedness or any security therefor and to release, sell or exchange such security and otherwise to deal freely with the Company, all without notice to or consent of the Debentureholders or the Trustee and without affecting the liabilities and obligations of the parties to this Indenture or the Debentureholders.

5.10 Right of Debentureholder to Receive Common Shares Not Impaired

The subordination of the Debentures to the Senior Indebtedness under this Article 5 and the other provisions of this Article 5 do not impair in any way the right of a Debentureholder to receive Common Shares in respect of principal and interest upon any conversion pursuant to Article 6, upon any redemption pursuant to Article 4 or at maturity pursuant to Article 4.

5.11 Invalidated Payments

In the event that any of the Senior Indebtedness shall be paid in full and subsequently, for whatever reason, such formerly paid or satisfied Senior Indebtedness becomes unpaid or unsatisfied, the terms and conditions of this Article 5 shall be reinstated and the provisions of this Article shall again be operative until all Senior Indebtedness is repaid in full, provided that

such reinstatement shall not give the Senior Creditors any rights or recourses against the Trustee or the Debentureholders for amounts paid to the Debentureholders subsequent to such payment or satisfaction in full and prior to such reinstatement.

5.12 Contesting Security

The Trustee, for itself and on behalf of the Debentureholders, agrees that it shall not contest or bring into question the validity, perfection or enforceability of any of the Senior Indebtedness, the Senior Security, or the relative priority of the Senior Security.

ARTICLE 6 CONVERSION OF DEBENTURES

6.1 Applicability of Article

Any Debentures issued hereunder of any series which by their terms are convertible (subject, however, to any applicable restriction of the conversion of Debentures of such series) will be convertible into Freely Tradeable Common Shares or other securities of the Company, at such conversion rate or rates, and on such date or dates and in accordance with such other provisions as shall have been determined at the time of issue of such Debentures and shall have been expressed in this Indenture, in such Debentures, in an Officers' Certificate, or in a supplemental indenture authorizing or providing for the issue thereof.

Such right of conversion shall extend only to the maximum number of whole Common Shares or other securities of the Company into which the aggregate principal amount of the Debenture or Debentures surrendered for conversion at any one time by the holder thereof may be converted. Fractional interests in Common Shares or other securities of the Company shall be adjusted for in the manner provided in Section 6.7.

6.2 United States Conversion Prohibitions

Notwithstanding anything in this Indenture to the contrary, the Debentures may not be (i) transferred to or for the account of a U.S. Person or into the United States or (ii) converted by or for the account or benefit of a U.S. Person or a person in the United States and no Common Shares may be transferred into or issued in the United States or to a U.S. Person in connection with any conversion of a Debenture. Any purported transfer or conversion that would contravene the foregoing restrictions shall be invalid and not given effect for any purpose whatsoever. Each Debentureholder who is a U.S. Person or is in the United States, by its acceptance of any Debentures, shall be deemed to have acknowledged and agreed that it shall not be entitled to convert any Debentures into Common Shares while such Debentureholder is a U.S. Person or is in the United States. In furtherance of the foregoing restrictions, each Debenture shall bear the following legend:

“THIS DEBENTURE MAY NOT BE (i) TRANSFERRED TO OR FOR THE ACCOUNT OF A U.S. PERSON OR INTO THE UNITED STATES OR (ii) CONVERTED BY OR FOR THE ACCOUNT OR BENEFIT OF A U.S. PERSON OR PERSON IN THE UNITED STATES AND THE UNDERLYING COMMON SHARES MAY NOT BE TRANSFERRED INTO OR ISSUED IN THE UNITED STATES OR TO OR FOR THE ACCOUNT OF A U.S. PERSON IN CONNECTION WITH ANY CONVERSION OF

THIS DEBENTURE. “UNITED STATES” AND “U.S. PERSON” ARE USED HEREIN AS SUCH TERMS ARE DEFINED BY REGULATION S UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED.”

6.3 Notice of Expiry of Conversion Privilege

Notice of the expiry of the conversion privileges of the Debentures shall be given by or on behalf of the Company, not more than 60 days and not less than 30 days prior to the date fixed for the Time of Expiry, in the manner provided in Section 14.2.

6.4 Revival of Right to Convert

If the redemption of any Debenture called for redemption by the Company is not made or the payment of the purchase price of any Debenture which has been tendered in acceptance of an offer by the Company to purchase Debentures for cancellation is not made, in the case of a redemption upon due surrender of such Debenture or in the case of a purchase on the date on which such purchase is required to be made, as the case may be, then, provided the Time of Expiry has not passed, the right to convert such Debentures shall revive and continue as if such Debenture had not been called for redemption or tendered in acceptance of the Company’s offer, respectively.

6.5 Manner of Exercise of Right to Convert

- (a) The holder of a Debenture desiring to convert such Debenture in whole or in part into Common Shares shall surrender such Debenture to the Trustee at its principal office in the City of Toronto, Ontario together with the conversion notice attached hereto as Schedule D or any other written notice in a form satisfactory to the Trustee, in either case duly executed by the holder or his executors or administrators or other legal representatives or his or their attorney duly appointed by an instrument in writing in form and executed in a manner satisfactory to the Trustee, exercising his right to convert such Debenture in accordance with the provisions of this Article; provided that with respect to a Global Debenture, the obligation to surrender a Debenture to the Trustee shall be satisfied if the Trustee makes notation on the Global Debenture of the principal amount thereof so converted and the Trustee is provided with all other documentation which it may request. Thereupon such Debentureholder or, subject to payment of all applicable stamp or security transfer taxes or other governmental charges and compliance with all reasonable requirements of the Trustee, his nominee(s) or assignee(s) shall be entitled to be entered in the books of the Company as at the Date of Conversion (or such later date as is specified in Section 6.5(b)) as the holder of the number of Common Shares into which such Debenture is convertible in accordance with the provisions of this Article and, as soon as practicable thereafter, the Company shall deliver to such Debentureholder or, subject as aforesaid, his nominee(s) or assignee(s), a certificate or certificates for such Common Shares and make or cause to be made any payment of interest to which such holder is entitled in accordance with Section 6.5(e) hereof.
- (b) For the purposes of this Article, a Debenture shall be deemed to be surrendered for conversion on the date (herein called the “**Date of Conversion**”) on which it is

so surrendered when the register of the Trustee is open and in accordance with the provisions of this Article or, in the case of a Global Debenture which the Trustee received notice of and all necessary documentation in respect of the exercise of the conversion rights and, in the case of a Debenture so surrendered by post or other means of transmission, on the date on which it is received by the Trustee at its office specified in Section 6.5(a); provided that if a Debenture is surrendered for conversion on a day on which the register of Common Shares is closed, the Person or Persons entitled to receive Common Shares shall become the holder or holders of record of such Common Shares as at the date on which such registers are next reopened.

- (c) Any part, being \$1,000 or an integral multiple thereof, of a Debenture in a denomination in excess of \$1,000 may be converted as provided in this Article and all references in this Indenture to conversion of Debentures shall be deemed to include conversion of such parts.
- (d) The holder of any Debenture of which only a part is converted shall, upon the exercise of his right of conversion surrender such Debenture to the Trustee in accordance with Section 6.5(a), and the Trustee shall cancel the same and shall without charge forthwith certify and deliver to the holder a new Debenture or Debentures in an aggregate principal amount equal to the unconverted part of the principal amount of the Debenture so surrendered or, with respect to a Global Debenture, the Depository shall make notations on the Global Debentures of the principal amount thereof so converted.
- (e) The holder of a Debenture surrendered for conversion in accordance with this Section 6.5 shall be entitled (subject to any applicable restriction on the right to receive interest on conversion of Debentures of any series) to receive accrued and unpaid interest in respect thereof, in cash, up to but excluding the Date of Conversion and the Common Shares issued upon such conversion shall rank only in respect of dividends declared in favour of shareholders of record on and after the Date of Conversion or such later date as such holder shall become the holder of record of such Common Shares pursuant to Section 6.5(b), from which applicable date they will for all purposes be and be deemed to be issued and outstanding as fully paid and non-assessable Common Shares.

6.6 Adjustment of Conversion Price

The Conversion Price in effect at any date shall be subject to adjustment from time to time as set forth below.

- (a) If and whenever at any time prior to the Time of Expiry the Company shall (i) subdivide or redivide the outstanding Common Shares into a greater number of shares, (ii) reduce, combine or consolidate the outstanding Common Shares into a smaller number of shares, or (iii) issue Common Shares to the holders of all or substantially all of the outstanding Common Shares by way of a dividend or otherwise (other than the issue of Common Shares to holders of Common Shares who have elected to receive dividends in the form of Common Shares in lieu of cash dividends paid in the ordinary course on the Common Shares), the

Conversion Price in effect on the effective date of such subdivision, redivision, reduction, combination or consolidation or on the record date for such issue of Common Shares by way of a dividend, shall be adjusted immediately after such effective date or such record date so that it shall equal the price determined by multiplying the Conversion Price in effect on such effective date or record date, as applicable, by a fraction, of which the numerator shall be the total number of Common Shares outstanding prior to such effective date or record as applicable date, and of which the denominator shall be the total number of Common Shares resulting from such subdivision, redivision, reduction, combination or consolidation or issuance of Common Shares by way of a dividend. Such adjustment shall be made successively whenever any event referred to in this Section 6.6(a) shall occur. Any such issue of Common Shares by way of a dividend shall be deemed to have been made on the record date for the dividend or distribution for the purpose of calculating the number of outstanding Common Shares under subsections (b) and (d) of this Section 6.6.

- (b) If and whenever at any time prior to the Time of Expiry the Company shall fix a record date for the issuance of options, rights or warrants to all or substantially all the holders of its outstanding Common Shares entitling them, for a period expiring not more than 45 days after such record date, to subscribe for or purchase Common Shares (or securities convertible into Common Shares) at a price per unit (or having a conversion or exchange price per unit) less than 95% of the Current Market Price of a Common Share on such record date, the Conversion Price shall be adjusted immediately after such record date so that it shall equal the price determined by multiplying the Conversion Price in effect on such record date by a fraction, of which the numerator shall be the total number of Common Shares outstanding on such record date plus a number of Common Shares equal to the number arrived at by dividing the aggregate price of the total number of additional Common Shares offered for subscription or purchase (or the aggregate conversion or exchange price of the convertible securities so offered) by such Current Market Price per Common Share, and of which the denominator shall be the total number of Common Shares outstanding on such record date plus the total number of additional Common Shares offered for subscription or purchase (or into which the convertible securities so offered are convertible). Such adjustment shall be made successively whenever such a record date is fixed. To the extent that any such options, rights or warrants are not so issued or any such options, rights or warrants are not exercised prior to the expiration thereof, the Conversion Price shall be re-adjusted to the Conversion Price which would then be in effect if such record date had not been fixed or to the Conversion Price which would then be in effect based upon the number of Common Shares (or securities convertible into Common Shares) actually issued upon the exercise of such options, rights or warrants were included in such fraction, as the case may be.
- (c) Subject to the terms of this Indenture, if and whenever at any time prior to the Time of Expiry the Company shall fix a record date for the making of a distribution to all or substantially all the holders of its outstanding Common Shares of (i) shares of any class other than Common Shares or other securities and other than securities distributed to holders of Common Shares who have elected to receive dividends in the form of such shares in lieu of dividends paid in the

ordinary course, (ii) rights, options or warrants (excluding rights, options or warrants entitling the holders thereof as at a specified date to subscribe for or purchase Common Shares or securities convertible into Common Shares for a period of not more than 45 days after such date), (iii) evidences of its indebtedness, or (iv) other assets (excluding dividends paid in the ordinary course) then, in each such case, the Conversion Price shall be adjusted immediately after such record date so that it shall equal the price determined by multiplying the Conversion Price in effect on such record date by a fraction, of which the numerator shall be the total number of Common Shares outstanding on such record date multiplied by the Current Market Price per Common Share on such record date, less the fair market value (as determined by the directors of the Company, with the approval of the Trustee, which determination shall be conclusive) of such shares, other securities, rights, options, warrants, evidences of indebtedness or assets so distributed, and of which the denominator shall be the total number of Common Shares outstanding on such record date multiplied by such Current Market Price per Common Share. Such adjustment shall be made successively whenever such a record date is fixed. To the extent that such distribution is not so made, the Conversion Price shall be readjusted to the Conversion Price which would then be in effect if such record date had not been fixed or to the Conversion Price which would then be in effect if only such shares, rights, options, warrants, evidences of indebtedness or assets actually distributed were included in such fraction, as the case may be. In clause (iv) of this subsection (c) the term "dividends paid in the ordinary course" shall include the value of any securities or other property or assets distributed in lieu of cash dividends paid in the ordinary course at the option of shareholders.

- (d) If and whenever at any time prior to the Time of Expiry, there is a reclassification of the Common Shares or a capital reorganization of the Company other than as described in Section 6.6(a) or a consolidation, amalgamation, arrangement, binding securities exchange, merger of the Company with or into any other Person or other entity or acquisition of the Company or other combination pursuant to which the Common Shares are converted into or acquired for cash, securities or other property; or a sale or conveyance of substantially all of the property and assets of the Company as an entirety or substantially as an entirety to any other Person (other than a direct or indirect wholly-owned subsidiary of the Company) or other entity or a liquidation, dissolution or winding-up of the Company, any holder of a Debenture who has not exercised its right of conversion prior to the effective date of such reclassification, capital reorganization, consolidation, amalgamation, arrangement, merger, securities exchange, acquisition, combination, sale or conveyance or liquidation, dissolution or winding-up, upon the exercise of such right thereafter, shall be entitled to receive and shall accept, in lieu of the number of Common Shares then sought to be acquired by it, such amount of cash or the number of shares or other securities or property of the Company or of the Person or other entity resulting from such reclassification, capital reorganization, merger, amalgamation, arrangement, acquisition, combination or consolidation, or to which such sale or conveyance may be made or which holders of Common Shares receive pursuant to such liquidation, dissolution or winding-up, as the case may be, that such holder of a

Debenture would have been entitled to receive on such reclassification, capital reorganization, consolidation, amalgamation, arrangement, merger, securities exchange, acquisition, combination, sale or conveyance or liquidation, dissolution or winding-up, if, on the record date or the effective date thereof, as the case may be, the holder had been the registered holder of the number of Common Shares sought to be acquired by it and to which it was entitled to acquire upon the exercise of the conversion right. If determined appropriate by the Board of Directors, to give effect to or to evidence the provisions of this Section 6.6(d), the Company, its successor, or such purchasing Person or other entity, as the case may be, shall, prior to or contemporaneously with any such reclassification, capital reorganization, consolidation, amalgamation, arrangement, merger, securities exchange, acquisition, combination, sale or conveyance or liquidation, dissolution or winding-up, enter into an indenture which shall provide, to the extent possible, for the application of the provisions set forth in this Indenture with respect to the rights and interests thereafter of the holder of Debentures to the end that the provisions set forth in this Indenture shall thereafter correspondingly be made applicable, as nearly as may reasonably be, with respect to any cash, shares or other securities or property to which a holder of Debentures is entitled on the exercise of its acquisition rights thereafter. Any indenture entered into between the Company and the Trustee pursuant to the provisions of this Section 6.6(d) shall be a supplemental indenture entered into pursuant to the provisions of Article 16. Any indenture entered into between the Company, any successor to the Company or such purchasing Person or other entity and the Trustee shall provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments provided in this Section 6.6(d) and which shall apply to successive reclassifications, capital reorganizations, amalgamations, consolidations, mergers, securities exchanges, acquisitions, combinations, sales or conveyances.

- (e) In the event the Company pays a dividend to all or substantially all the holders of Common Shares consisting of capital stock, or similar equity interests in, a Subsidiary or other business unit of the Company (the “**Spinoff Securities**”), the Conversion Price shall be adjusted, unless the Company pays an equivalent dividend to the holders of Debentures, so that the same shall be equal to the rate determined by multiplying the Conversion Price in effect on the record date fixed for the determination of shareholders entitled to receive such dividend by a fraction, the denominator of which shall be the sum of (i) the product of (A) the VWAP for the 20 consecutive trading day period (the “**Spinoff Valuation Period**”) commencing on and including the fifth trading day after the date on which ex-dividend trading commences for such distribution on the Toronto Stock Exchange, or such other national or regional exchange or market on which the Common Shares are then listed or quoted multiplied by (B) the number of Common Shares issued and outstanding and (ii) the product of (A) the volume weighted average price (calculated in substantially the same way as the Current Market Price is calculated for the Common Shares) over the Spinoff Valuation Period of the Spinoff Securities or, if no such prices are available, the fair market value of the Spinoff Securities as reasonably determined by the Board of Directors (which determination shall be conclusive and shall be evidenced by an Officers’ Certificate delivered to the Trustee) multiplied by (B) the number of

Spinoff Securities distributed in respect of one Common Share and the numerator of which shall be the product of (A) the VWAP over the Spinoff Valuation Period multiplied by (B) the number of Common Shares issued and outstanding, such adjustment to become effective immediately preceding the opening of business on the 25th trading day after the date on which ex-dividend trading commences; provided, however, that the Company may in lieu of the foregoing adjustment elect to make adequate provision so that each holder of Debentures shall have the right to receive upon conversion thereof the amount of such Spinoff Securities that such holder of Debentures would have received if such Debentures had been converted on the record date with respect to such distribution.

- (f) If any issuer bid made by the Company or any of its Subsidiaries for all or any portion of Common Shares shall expire, then, if the issuer bid shall require the payment to shareholders of consideration per Common Share having a fair market value (determined as provided below) that exceeds the Current Market Price per Common Share on the last date (the “**Expiration Date**”) tenders could have been made pursuant to such issuer bid (as it may be amended) (the last time at which such tenders could have been made on the Expiration Date is hereinafter sometimes called the “**Expiration Time**”), the Conversion Price shall be adjusted so that the same shall equal the rate determined by multiplying the Conversion Price in effect immediately preceding the close of business on the Expiration Date by a fraction of which (i) the denominator shall be the sum of (A) the fair market value of the aggregate consideration (the fair market value as determined by the Board of Directors, whose determination shall be conclusive evidence of such fair market value and which shall be evidenced by an Officers’ Certificate delivered to the Trustee) payable to shareholders based on the acceptance (up to any maximum specified in the terms of the issuer bid) of all Common Shares validly tendered and not withdrawn as of the Expiration Time (the Common Shares deemed so accepted, up to any such maximum, being referred to as the “**Purchased Common Shares**”) and (B) the product of the number of Common Shares outstanding (less any Purchased Common Shares) at the Expiration Time and the Current Market Price per Common Share on the Expiration Date and (ii) the numerator of which shall be the product of the number of Common Shares outstanding (including Purchased Common Shares) at the Expiration Time multiplied by the Current Market Price per Common Share on the Expiration Date, such adjustment to become effective immediately preceding the opening of business on the day following the Expiration Date. In the event that the Company is obligated to purchase Common Shares pursuant to any such issuer bid, but the Company is permanently prevented by applicable law from effecting any or all such purchases or any or all such purchases are rescinded, the Conversion Price shall again be adjusted to be the Conversion Price which would have been in effect based upon the number of Common Shares actually purchased, if any. If the application of this clause (f) of Section 6.6 to any issuer bid would result in a decrease in the Conversion Price, no adjustment shall be made for such issuer bid under this clause (f).

For purposes of this Section 6.6(f), the term “issuer bid” shall mean an issuer bid under Applicable Securities Legislation (other than an issuer bid which is exempt from the requirements of Part 2 of MI 62- 104) or a take-over bid (other than an

take-over bid which is exempt from the requirements of Part 2 of MI 62-104) under Applicable Securities Legislation by a Subsidiary of the Company for the Common Shares and all references to “purchases” of Common Shares in issuer bids (and all similar references) shall mean and include the purchase of Common Shares in issuer bids and all references to “tendered Common Shares” (and all similar references) shall mean and include Common Shares tendered in issuer bids.

- (g) In any case in which this Section 6.6 shall require that an adjustment shall become effective immediately after a record date for an event referred to herein, the Company may defer, until the occurrence of such event, issuing to the holder of any Debenture converted after such record date and before the occurrence of such event the additional Common Shares issuable upon such conversion by reason of the adjustment required by such event; provided, however, that the Company shall deliver to such holder an appropriate instrument evidencing such holder’s right to receive such additional Common Shares upon the occurrence of the event requiring such adjustment and the right to receive any distributions made on such additional Common Shares declared in favour of holders of record of Common Shares on and after the Date of Conversion or such later date as such holder would, but for the provisions of this Section 6.6(g), have become the holder of record of such additional Common Shares pursuant to Section 6.5(b).
- (h) The adjustments provided for in this Section 6.6 are cumulative and shall apply to successive subdivisions, redivisions, reductions, combinations, consolidations, distributions, issues or other events resulting in any adjustment under the provisions of this Section, provided that, notwithstanding any other provision of this Section, no adjustment of the Conversion Price shall be required unless such adjustment would require an increase or decrease of at least 1% in the Conversion Price then in effect; provided however, that any adjustments which by reason of this Section 6.6(h) are not required to be made shall be carried forward and taken into account in any subsequent adjustment.
- (i) For the purpose of calculating the number of Common Shares outstanding, Common Shares owned by or for the benefit of the Company shall not be counted.
- (j) In the event of any question arising with respect to the adjustments provided in this Section 6.6, such question shall be conclusively determined by a firm of nationally recognized chartered accountants appointed by the Company and acceptable to the Trustee (who may be the Auditors of the Company); such accountants shall have access to all necessary records of the Company and such determination shall be binding upon the Company, the Trustee, and the Debentureholders.
- (k) In case the Company shall take any action affecting the Common Shares other than action described in this Section 6.6, which in the opinion of the Board of Directors, would materially adversely affect the rights of Debentureholders, the Conversion Price shall be adjusted in such manner and at such time, by action of the Board of Directors, subject to the prior written consent of the Toronto Stock

Exchange or such other exchange on which the Debentures are then listed, as the Board of Directors, in their sole discretion may determine to be equitable in the circumstances. Failure of the directors to make such an adjustment shall be conclusive evidence that they have determined that it is equitable to make no adjustment in the circumstances.

- (l) Subject to the prior written consent of the Toronto Stock Exchange or such other exchange on which the Debentures are then listed, no adjustment in the Conversion Price shall be made in respect of any event described in Sections 6.6(a), 6.6(b), 6.6(c), 6.6(d) or 6.6(f) other than the events described in 6.6(a)(i) or 6.6(a)(ii) if the holders of the Debentures are entitled to participate in such event on the same terms *mutatis mutandis* as if they had converted their Debentures prior to the effective date or record date, as the case may be, of such event.
- (m) Except as stated above in this Section 6.6, no adjustment will be made in the Conversion Price for any Debentures as a result of the issuance of Common Shares at less than the Current Market Price for such Common Shares on the date of issuance.
- (n) Notwithstanding any other provision of this Indenture, if prior to the date that is five years plus one day from the last date of original issuance of the Debentures, Holders would otherwise be entitled to receive, upon conversion of the Debentures, any property (including cash) or securities that would not constitute “prescribed securities” for the purposes of Clause 212(1)(b)(vii)(E) of the Tax Act as it applied immediately before January 1, 2008 (referred to herein as “**Ineligible Consideration**”), such Holders shall not be entitled to receive such Ineligible Consideration but the Company or the successor or acquirer, as the case may be, shall have the right (at the sole option of the Company or the successor or acquirer, as the case may be) to deliver either such Ineligible Consideration or “prescribed securities” for the purposes of Clause 212(1)(b)(vii)(E) of the Tax Act as it applied immediately before January 1, 2008 with a market value (as conclusively determined by the Board of Directors) equal to the market value of such Ineligible Consideration.

6.7 No Requirement to Issue Fractional Common Shares

The Company shall not be required to issue fractional Common Shares upon the conversion of Debentures pursuant to this Article. If more than one Debenture shall be surrendered for conversion at one time by the same holder, the number of whole Common Shares issuable upon conversion thereof shall be computed on the basis of the aggregate principal amount of such Debentures to be converted. If any fractional interest in a Common Share would, except for the provisions of this Section, be deliverable upon the conversion of any principal amount of Debentures, the Company shall, subject to Article 5, in lieu of delivering any certificate representing such fractional interest, make a cash payment to the holder of such Debenture of an amount equal to the fractional interest which would have been issuable multiplied by the Current Market Price.

6.8 Company to Reserve Common Shares

The Company covenants with the Trustee that it will at all times reserve and keep available out of its authorized Common Shares (if the number thereof is or becomes limited), solely for the purpose of issue upon conversion of Debentures as in this Article provided, such number of Common Shares as shall then be issuable upon the conversion of all outstanding Debentures. The Company covenants with the Trustee that all Common Shares which shall be so issuable shall be duly and validly issued as fully-paid and non-assessable.

6.9 Cancellation of Converted Debentures

Subject to the provisions of Section 6.5 as to Debentures converted in part, all Debentures converted in whole or in part under the provisions of this Article shall be forthwith delivered to and cancelled by the Trustee and no Debenture shall be issued in substitution for those converted.

6.10 Certificate as to Adjustment

The Company shall from time to time immediately after the occurrence of any event which requires an adjustment or readjustment as provided in Section 6.6, deliver an Officers' Certificate to the Trustee specifying the nature of the event requiring the same and the amount of the adjustment necessitated thereby and setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based, which certificate and the amount of the adjustment specified therein shall be verified by an opinion of a firm of nationally recognized chartered accountants appointed by the Company and acceptable to the Trustee (who may be the Auditors of the Company) and shall be conclusive and binding on all parties in interest. When so approved, the Company shall, except in respect of any subdivision, redivision, reduction, combination or consolidation of the Common Shares, forthwith give notice to the Debentureholders in the manner provided in Section 14.2 specifying the event requiring such adjustment or readjustment and the results thereof, including the resulting Conversion Price; provided that, if the Company has previously given notice covering all the relevant facts in respect of such event and if the Trustee approves, no such notice need be given under this Section 6.10.

6.11 Notice of Special Matters

The Company covenants with the Trustee that so long as any Debenture remains outstanding, it will give notice to the Trustee, and to the Debentureholders in the manner provided in Section 14.2, of its intention to fix a record date for any event referred to in Section 6.6(a) which may give rise to an adjustment in the Conversion Price, and, in each case, such notice shall specify the particulars of such event and the record date and the effective date for such event; provided that the Company shall only be required to specify in such notice such particulars of such event as shall have been fixed and determined on the date on which such notice is given. Such notice shall be given not less than 14 days in each case prior to such applicable record date.

In addition, the Company covenants with the Trustee that so long as any Debenture remains outstanding, it will give notice to the Trustee, and to the Debentureholders in the manner provided in Section 14.2, at least 30 days prior to the (i) effective date of any transaction referred

to in Section 6.6(d) stating the consideration into which the Debentures will be convertible after the effective date of such transaction, and (ii) Expiration Date of any transaction referred to in Section 6.6(f) stating the consideration paid per Common Share in such transaction.

6.12 Protection of Trustee

Subject to Section 15.3, the Trustee:

- (a) shall not at any time be under any duty or responsibility to any Debentureholder to determine whether any facts exist which may require any adjustment in the Conversion Price, or with respect to the nature or extent of any such adjustment when made, or with respect to the method employed in making the same;
- (b) shall not be accountable with respect to the validity or value (or the kind or amount) of any Common Shares or of any shares or other securities or property which may at any time be issued or delivered upon the conversion of any Debenture; and
- (c) shall not be responsible for any failure of the Company to make any cash payment or to issue, transfer or deliver Common Shares or share certificates upon the surrender of any Debenture for the purpose of conversion, or to comply with any of the covenants contained in this Article.

6.13 Payment of Cash in Lieu of Common Shares

Upon conversion and subject to Article 5, the Company may offer and the converting Holder may agree to the delivery of cash for all or a portion of the Debentures surrendered in lieu of Common Shares.

ARTICLE 7 COVENANTS OF THE COMPANY

The Company hereby covenants and agrees with the Trustee for the benefit of the Trustee and the Debentureholders, that so long as any Debentures remain outstanding:

7.1 To Pay Principal and Interest

The Company will duly and punctually pay or cause to be paid to every Debentureholder the principal of and interest accrued on the Debentures of which it is the holder on the dates, at the places and in the manner mentioned herein and in the Debentures and will duly and punctually perform and carry out all other acts, obligations and other things to be done by it, all as provided hereunder and in the Debentures.

7.2 To Pay Trustee's Remuneration

The Company will pay the Trustee reasonable remuneration for its services as Trustee hereunder and will repay to the Trustee on demand all monies which shall have been paid by the Trustee in connection with the execution of the trusts hereby created and such monies including the Trustee's remuneration, shall be payable out of any funds coming into the possession of the Trustee in priority to payment of any principal of the Debentures or interest thereon. Such

remuneration shall continue to be payable until the trusts hereof be finally wound up and whether or not the trusts of this Indenture shall be in the course of administration by or under the direction of a court of competent jurisdiction.

7.3 To Give Notice of Default

The Company shall notify the Trustee as soon as reasonably practicable (but in any event within two Business Days) upon obtaining knowledge of any Event of Default hereunder.

7.4 Preservation of Existence, etc.

Subject to the express provisions hereof, the Company will carry on and conduct its activities, and cause its Subsidiaries to carry on and conduct their businesses, in a business-like manner and in accordance with good business practices; and, subject to the express provisions hereof, it will do or cause to be done all things necessary to preserve and keep in full force and effect its existence and rights.

7.5 Keeping of Books

The Company will keep or cause to be kept proper books of record and account, in which full and correct entries shall be made of all financial transactions and the assets and business of the Company in accordance with IFRS.

7.6 Annual Certificate of Compliance

The Company shall deliver to the Trustee, within 120 days after the end of each calendar year or upon reasonable request by the Trustee, an Officers' Certificate as to the knowledge of such officers of the Company who execute the Officers' Certificate of the Company's compliance with all conditions and covenants in this Indenture certifying that after reasonable investigation and inquiry, the Company has complied with all covenants, conditions or other requirements contained in this Indenture, the non-compliance with which could, with the giving of notice, lapse of time or otherwise, constitute an Event of Default hereunder, or if such is not the case, setting forth with reasonable particulars the circumstances of any failure to comply and steps taken or proposed to be taken to eliminate such circumstances and remedy such Event of Default, as the case may be.

7.7 Performance of Covenants by Trustee

If the Company shall fail to perform any of its covenants contained in this Indenture, the Trustee may notify the Debentureholders of such failure on the part of the Company or may itself perform any of the covenants capable of being performed by it, but shall be under no obligation to do so or to notify the Debentureholders. All sums so expended or advanced by the Trustee shall be repayable as provided in Section 7.2. No such performance, expenditure or advance by the Trustee shall be deemed to relieve the Company of any default hereunder.

7.8 No Dividend on Common Shares if Event of Default

The Company shall not declare or pay any dividend to the holders of its issued and outstanding Common Shares after the occurrence of an Event of Default unless and until such default shall have been cured or waived or shall have ceased to exist.

7.9 Maintain Listing

The Company will use reasonable efforts to maintain the listing of the Common Shares and the Debentures on the Toronto Stock Exchange, and to maintain the Company's status as a "reporting issuer" not in default of the requirements of the Applicable Securities Legislation.

7.10 Indebtedness

- (a) Neither the Company nor any of its Subsidiaries shall incur any Senior Indebtedness if, after giving effect to such Senior Indebtedness, the aggregate amount of all Senior Indebtedness would exceed 33% of the aggregate value of the total consolidated assets of the Company and its Subsidiaries as at the end of the immediately preceding month, as reflected on the unaudited consolidated balance sheet of the Company as at the end of such month.
- (b) The Company shall not, as of the 15th day of each month, permit the aggregate amount of its Senior Indebtedness to exceed 33% of the aggregate value of the total consolidated assets of the Company and its Subsidiaries as at the end of the immediately preceding month, as reflected on the unaudited consolidated balance sheet of the Company as at the end of such month.

7.11 Reports

The Company shall file with the Trustee within 15 days after the filing thereof with any securities regulatory authority in Canada, copies of the Company's annual report and such information, documents and other reports that the Company is required to file with such authorities and deliver to the Company's shareholders. Notwithstanding that the Company may not be required to remain subject to the reporting requirements of Canadian securities regulatory authorities, the Company shall provide to the Trustee (a) within 90 days after the end of each fiscal year, an annual financial statement of the Company, and (b) within 45 days after the end of each of the first three fiscal quarters of each fiscal year, interim financial statements of the Company which shall, at a minimum, contain such information as is required to be provided in quarterly reports under the laws of Canada or any Province thereof to security holders of a company with securities listed on the Toronto Stock Exchange, whether or not the Company has any of its securities so listed. Each of such reports will be prepared in accordance with applicable Canadian disclosure requirements and IFRS. The Company will provide copies of such information, documents and reports to holders of Debentures upon request. Nothing in this Section 7.11 shall be construed to impose an obligation on the Trustee to review, analyze or interpret such information, documents and reports delivered to the Trustee by the Company pursuant to this Section 7.11.

7.12 Withholding Tax

Notwithstanding any other provision of this Indenture:

- (a) Subject to subsections (b), (c) and (d) below, the Company shall withhold tax at a rate of 25% (or such other rate provided in the Tax Act from time to time) to all payments of interest on the Debentures and deemed payments of interest under

the Tax Act that may arise on the Debenture (including any deemed payments of interest which may arise on a conversion or repayment of the Debentures) to non-residents for the purposes of the Tax Act.

- (b) The Company shall not withhold pursuant to subsection (a) above if, on or before the date of the payment or deemed payment of interest, the Company is satisfied as a result of a provision of or an amendment to the Tax Act, a decision of a court of competent jurisdiction in respect of which all appeal rights have expired or a published statement of the Canada Revenue Agency acceptable to the Company that no withholding tax is payable under the Tax Act with respect to such payment or deemed payment.
- (c) The Company will not withhold pursuant to subsection (a) above with respect to a payment or deemed payment of interest to a Debentureholder where the Debentureholder has provided evidence satisfactory to the Company that the Debentureholder is exempt from tax under an applicable tax treaty.
- (d) The Company will reduce the rate of withholding tax set out in subsection (a) above with respect to a payment or deemed payment of interest to a Debentureholder where the Debentureholder has provided evidence satisfactory to the Company that the Debentureholder is entitled to a reduced rate of withholding tax under an applicable tax treaty.
- (e) Where subsection (a) applies on a conversion or on a redemption or repayment of the Debentures with Common Shares or in any other circumstance where the Company is not making a cash payment to a Debentureholder sufficient to satisfy the withholding required under subsection (a) after taking into account the operation of subsections (b), (c) and (d), the Trustee on the Written Direction of the Company but for the account of such holder, shall provide reasonable assistance to effect the sale, through the investment banks, brokers or dealers selected by the Company, out of the Freely Tradeable Common Shares issued by the Company for this purpose, such number of Freely Tradeable Common Shares that is sufficient to yield net proceeds (after payment of all costs) to cover the amount of taxes required to be withheld, and shall remit same on behalf of the Company to the proper tax authorities within the period of time prescribed for this purpose under applicable laws. In the event the Trustee sells such Freely Tradeable Common Shares pursuant to this Section 7.12 the procedures set forth in Article 10 of this Indenture shall apply *mutatis mutandis* to such sale.

ARTICLE 8 DEFAULT

8.1 Events of Default

Each of the following events constitutes, and is sometimes referred to as, an “**Event of Default**”):

- (a) failure for 15 days to pay interest on the Debentures when due;

- (b) failure to pay principal or premium (whether by way of payment of cash or delivery of Common Shares) when due on the Debentures whether at maturity, upon redemption or a Change of Control, by declaration or otherwise;
- (c) default in the delivery, when due, of any Common Shares or other consideration, including any make whole premium, payable on conversion with respect to the Debentures, which default continues for 15 days;
- (d) default in the observance or performance of any covenant or condition of the Indenture by the Company, other than Section 7.10(b) hereof, including, without limitation, the failure to make an offer under Section 2.4(j) hereof, and the failure to cure (or obtain a waiver for) such default for a period of 30 days after notice in writing has been given by the Trustee or from holders of not less than 25% in aggregate principal amount of the Debentures to the Company specifying such default and requiring the Company to rectify such default or obtain a waiver for same;
- (e) default in the observance or performance of the covenants of Section 7.10(b) by the Company, and the failure to cure (or obtain a waiver for) such default for a period of 60 days after notice in writing has been given by the Trustee or from holders of not less than 25% in aggregate principal amount of the Debentures to the Company specifying such default and requiring the Company to rectify such default or obtain a waiver of same, provided that, for greater certainty, the Company shall be deemed to have rectified any default under Section 7.10(b) if, at the end of the 60 day period described above, the aggregate amount of the Company's Senior Indebtedness is equal to or less than 33% of the aggregate value of the total consolidated assets of the Company and its Subsidiaries as at the end of the immediately preceding month, as reflected on the unaudited consolidated balance sheet of the Company as at the end of such month;
- (f) if a decree or order of a Court having jurisdiction is entered adjudging the Company a bankrupt or insolvent under the *Bankruptcy and Insolvency Act* (Canada) or any other bankruptcy, insolvency or analogous laws, or issuing sequestration or process of execution against, or against any substantial part of, the property of the Company, or appointing a receiver of, or of any substantial part of, the property of the Company or ordering the winding-up or liquidation of its affairs, and any such decree or order continues unstayed and in effect for a period of 60 days;
- (g) if the Company institutes proceedings to be adjudicated a bankrupt or insolvent, or consents to the institution of bankruptcy or insolvency proceedings against it under the *Bankruptcy and Insolvency Act* (Canada) or any other bankruptcy, insolvency or analogous laws, or consents to the filing of any such petition or to the appointment of a receiver of, or of any substantial part of, the property of the Company or makes a general assignment for the benefit of creditors, or admits in writing its inability to pay its debts generally as they become due;
- (h) if a resolution is passed for the winding-up or liquidation of the Company; or

- (i) if, after the date of this Indenture, any proceedings are taken by the Company with respect to the Company with respect to a compromise or arrangement, with respect to creditors of the Company generally, under the applicable legislation of any jurisdiction;

then: (x) in each and every such event listed above, the Trustee may, in its discretion, and shall, upon receipt of a request in writing signed by the holders of not less than 25% in aggregate principal amount of the Debentures then outstanding, subject to the provisions of Section 8.3, by notice in writing to the Company declare the principal of and interest on all Debentures then outstanding and all other monies outstanding hereunder to be due and payable and the same shall thereupon forthwith become immediately due and payable to the Trustee, and (y) on the occurrence of an Event of Default under Sections 8.1(f), (g) or (i), the principal of and interest on all Debentures then outstanding hereunder and all other monies outstanding hereunder, shall automatically without any declaration or other act on the part of the Trustee or any Debentureholder become immediately due and payable to the Trustee and, in either case, upon such amounts becoming due and payable in either (x) or (y) above, the Company shall, subject to Article 5, forthwith pay to the Trustee for the benefit of the Debentureholders such principal, accrued and unpaid interest and interest on amounts in default on such Debenture and all other monies outstanding hereunder, together with subsequent interest at the rate borne by the Debentures on such principal, interest and such other monies from the date of such declaration or event until payment is received by the Trustee, such subsequent interest to be payable at the times and places and in the manner mentioned in and according to the tenor of the Debentures. Such payment when made shall be deemed to have been made in discharge of the Company's obligations hereunder and any monies so received by the Trustee shall be applied in the manner provided in Section 8.6.

For greater certainty, for the purposes of this Section 8.1, a series of Debentures shall be in default in respect of an Event of Default if such Event of Default relates to a default in the payment of principal or interest on the Debentures of such series in which case references to Debentures in this Section 8.1 refer to Debentures of that particular series.

For purposes of this Article 8, where the Event of Default refers to an Event of Default with respect to a particular series of Debentures as described in this Section 8.1, then this Article 8 shall apply *mutatis mutandis* to the Debentures of such series and references in this Article 8 to the Debentures shall mean Debentures of the particular series and references to the Debentureholders shall refer to the Debentureholders of the particular series, as applicable.

8.2 Notice of Events of Default

If an Event of Default shall occur and be continuing the Trustee shall, within 30 days after it receives written notice of the occurrence of such Event of Default, give notice of such Event of Default to the Debentureholders in the manner provided in Section 14.2, provided that notwithstanding the foregoing, unless the Trustee shall have been requested to do so by the holders of at least 25% of the principal amount of the Debentures then outstanding, the Trustee shall not be required to give such notice if the Trustee in good faith shall have determined that the withholding of such notice is in the best interests of the Debentureholders and shall have so advised the Company in writing.

8.3 Waiver of Default

Upon the happening of any Event of Default hereunder:

- (a) the holders of the Debentures shall have the power (in addition to the powers exercisable by Extraordinary Resolution as hereinafter provided) by requisition in writing by the holders of more than 50% of the principal amount of Debentures then outstanding, to instruct the Trustee to waive any Event of Default and to cancel any declaration made by the Trustee pursuant to Section 8.1 except a default in the payment of principal or interest on any Debenture or in respect of a covenant or provision hereof that under this Indenture cannot be modified or amended without the consent of the holder of each outstanding Debenture of such series of Debentures affected and the Trustee shall thereupon waive the Event of Default and cancel such declaration, or either, upon such terms and conditions as shall be prescribed in such requisition; provided that notwithstanding the foregoing if the Event of Default has occurred by reason of the non-observance or non-performance by the Company of any covenant applicable only to one or more series of Debentures, then the holders of more than 50% of the principal amount of the outstanding Debentures of that series shall be entitled to exercise the foregoing power and the Trustee shall so act and it shall not be necessary to obtain a waiver from the holders of any other series of Debentures; and
- (b) the Trustee, so long as it has not become bound to declare the principal and interest on the Debentures then outstanding to be due and payable, or to obtain or enforce payment of the same, shall have power to waive any Event of Default if, in the Trustee's opinion, the same shall have been cured or adequate satisfaction made therefor, and in such event to cancel any such declaration theretofore made by the Trustee in the exercise of its discretion, upon such terms and conditions as the Trustee may deem advisable.

No such act or omission either of the Trustee or of the Debentureholders shall extend to or be taken in any manner whatsoever to affect any subsequent Event of Default or the rights resulting therefrom.

8.4 Enforcement by the Trustee

- (a) Subject to the provisions of Section 8.3 and to the provisions of any Extraordinary Resolution that may be passed by the Debentureholders, if the Company shall fail to pay to the Trustee, forthwith after the same shall have been declared to be due and payable under Section 8.1, the principal of and interest on all Debentures then outstanding, together with any other amounts due hereunder, the Trustee may in its discretion and shall upon receipt of a request in writing signed by the holders of not less than 25% in principal amount of the Debentures then outstanding and upon being funded and indemnified to its reasonable satisfaction against all costs, expenses and liabilities to be incurred, proceed in its name as trustee hereunder to obtain or enforce payment of such principal of and interest on all the Debentures then outstanding together with any other amounts due hereunder by such proceedings authorized by this Indenture or by law or equity as the Trustee

in such request shall have been directed to take, or if such request contains no such direction, or if the Trustee shall act without such request, then by such proceedings authorized by this Indenture or by suit at law or in equity as the Trustee shall deem expedient.

- (b) The Trustee shall be entitled and empowered, either in its own name or as Trustee of an express trust, or as attorney-in-fact for the holders of the Debentures, or in any one or more of such capacities, to file such proof of debt, amendment of proof of debt, claim, petition or other document as may be necessary or advisable in order to have the claims of the Trustee and of the holders of the Debentures allowed in any insolvency, bankruptcy, liquidation or other judicial proceedings relative to the Company or its creditors or relative to or affecting its property. The Trustee is hereby irrevocably appointed (and the successive respective holders of the Debentures by taking and holding the same shall be conclusively deemed to have so appointed the Trustee) the true and lawful attorney-in-fact of the respective holders of the Debentures with authority to make and file in the respective names of the holders of the Debentures or on behalf of the holders of the Debentures as a class, subject to deduction from any such claims of the amounts of any claims filed by any of the holders of the Debentures themselves, any proof of debt, amendment of proof of debt, claim, petition or other document in any such proceedings and to receive payment of any sums becoming distributable on account thereof, and to execute any such other papers and documents and to do and perform any and all such acts and things for and on behalf of such holders of the Debentures, as may be necessary or advisable in the opinion of the Trustee, subject to Article 5, in order to have the respective claims of the Trustee and of the holders of the Debentures against the Company or its property allowed in any such proceeding, and to receive payment of or on account of such claims; provided, however, that subject to Section 8.3, nothing contained in this Indenture shall be deemed to give to the Trustee, unless so authorized by Extraordinary Resolution, any right to accept or consent to any plan of reorganization or otherwise by action of any character in such proceeding to waive or change in any way any right of any Debentureholder.
- (c) The Trustee shall also have the power at any time and from time to time to institute and to maintain such suits and proceedings, subject to Article 5, as it may be advised shall be necessary or advisable to preserve and protect its interests and the interests of the Debentureholders.
- (d) All rights of action hereunder may be enforced by the Trustee without the possession of any of the Debentures or the production thereof on the trial or other proceedings relating thereto. Any such suit or proceeding instituted by the Trustee shall be brought in the name of the Trustee as trustee of an express trust, and any recovery of judgment shall be for the rateable benefit of the holders of the Debentures subject to the provisions of this Indenture. In any proceeding brought by the Trustee (and also any proceeding in which a declaratory judgment of a court may be sought as to the interpretation or construction of any provision of this Indenture, to which the Trustee shall be

a party) the Trustee shall be held to represent all the holders of the Debentures, and it shall not be necessary to make any holders of the Debentures parties to any such proceeding.

8.5 No Suits by Debentureholders

No holder of any Debenture shall have any right to institute any action, suit or proceeding at law or in equity for the purpose of enforcing payment of the principal of or interest on the Debentures or for the execution of any trust or power hereunder or for the appointment of a liquidator or receiver or for a receiving order under the Bankruptcy and Insolvency Act (Canada) or to have the Company wound up or to file or prove a claim in any liquidation or bankruptcy proceeding or for any other remedy hereunder, unless: (a) such holder or the Trustee shall be permitted to take such action pursuant to Article 5; (b) such holder shall previously have given to the Trustee written notice of the happening of an Event of Default hereunder; and (c) the Debentureholders by Extraordinary Resolution or by written instrument signed by the holders of at least 25% in principal amount of the Debentures then outstanding shall have made a request to the Trustee and the Trustee shall have been afforded reasonable opportunity either itself to proceed to exercise the powers hereinbefore granted or to institute an action, suit or proceeding in its name for such purpose; and (d) the Debentureholders or any of them shall have furnished to the Trustee, when so requested by the Trustee, sufficient funds and security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby; and (e) the Trustee shall have failed to act within a reasonable time after such notification, request and offer of indemnity and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to any such proceeding or for any other remedy hereunder by or on behalf of the holder of any Debentures.

8.6 Application of Monies by Trustee

- (a) Subject to the subordination provisions of Article 5, any monies received by the Trustee from the Company pursuant to the foregoing provisions of this Article 8, or as a result of legal or other proceedings or from any trustee in bankruptcy or liquidator of the Company, shall be applied, together with any other monies in the hands of the Trustee available for such purpose, as follows:
 - (i) first, in payment or in reimbursement to the Trustee of its compensation, costs, charges, expenses, borrowings, advances or other monies furnished or provided by or at the instance of the Trustee in or about the execution of its trusts under, or otherwise in relation to, this Indenture, with interest thereon as herein provided;
 - (ii) second, but subject as hereinafter in this Section 8.6 provided, in payment, rateably and proportionately to the holders of Debentures, of the principal of and accrued and unpaid interest and interest on amounts in default on the Debentures which shall then be outstanding in the priority of principal first and then accrued and unpaid interest and interest on amounts in default unless otherwise directed by Extraordinary Resolution and in that case in such order or priority as between principal and interest as may be directed by such resolution; and

- (iii) third, in payment of the surplus, if any, of such monies to the Company or its assigns;

provided, however, that no payment shall be made pursuant to clause (ii) above in respect of the principal or interest on any Debenture held, directly or indirectly, by or for the benefit of the Company or any Subsidiary (other than any Debenture pledged for value and in good faith to a Person other than the Company or any Subsidiary but only to the extent of such Person's interest therein) except subject to the prior payment in full of the principal and interest (if any) on all Debentures which are not so held.

- (b) The Trustee shall not be bound to apply or make any partial or interim payment of any monies coming into its hands if the amount so received by it, after reserving therefrom such amount as the Trustee may think necessary to provide for the payments mentioned in Section 8.6(a), is insufficient to make a distribution of at least 2% of the aggregate principal amount of the outstanding Debentures, but it may retain the money so received by it and invest or deposit the same as provided in Section 15.9 until the money or the investments representing the same, with the income derived therefrom, together with any other monies for the time being under its control shall be sufficient for the said purpose or until it shall consider it advisable to apply the same in the manner hereinbefore set forth. The foregoing shall, however, not apply to a final payment in distribution hereunder.

8.7 Notice of Payment by Trustee

Not less than 15 days notice shall be given in the manner provided in Section 14.2 by the Trustee to the Debentureholders of any payment to be made under this Article 8. Such notice shall state the time when and place where such payment is to be made and also the liability under this Indenture to which it is to be applied. After the day so fixed, unless payment shall have been duly demanded and have been refused, the Debentureholders will be entitled to interest only on the balance (if any) of the principal monies and interest (if any) due to them, respectively, on the Debentures, after deduction of the respective amounts payable in respect thereof on the day so fixed.

8.8 Trustee May Demand Production of Debentures

The Trustee shall have the right to demand production of the Debentures in respect of which any payment of principal, interest required by this Article 8 is made and may cause to be endorsed on the same a memorandum of the amount so paid and the date of payment, but the Trustee may, in its discretion, dispense with such production and endorsement, upon such indemnity being given to it and to the Company as the Trustee shall deem sufficient.

8.9 Remedies Cumulative

No remedy herein conferred upon or reserved to the Trustee, or upon or to the holders of Debentures is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now existing or hereafter to exist by law or by statute.

8.10 Judgment Against the Company

The Company covenants and agrees with the Trustee that, in case of any judicial or other proceedings to enforce the rights of the Debentureholders, judgment may be rendered against it in favour of the Debentureholders or in favour of the Trustee, as trustee for the Debentureholders, for any amount which may remain due in respect of the Debentures and the interest thereon and any other monies owing hereunder.

8.11 Immunity of Directors, Officers and Others

The Debentureholders and the Trustee hereby waive and release any right, cause of action or remedy now or hereafter existing in any jurisdiction against any past, present or future officer, director, shareholder or employee of the Company or a Subsidiary of the Company, and each holder of Common Shares of the Company or of any successor of any of the foregoing for the payment of the principal of or interest on any of the Debentures or any other amounts or on any covenant, agreement, representation or warranty by the Company contained herein or in the Debentures.

ARTICLE 9 SATISFACTION AND DISCHARGE

9.1 Cancellation and Destruction

All Debentures shall forthwith after payment of all obligations thereunder be delivered to the Trustee and cancelled by it. All Debentures cancelled or required to be cancelled under this or any other provision of this Indenture shall be destroyed by the Trustee and, if required by the Company, the Trustee shall furnish to it a destruction certificate setting out the designating numbers of the Debentures so destroyed.

9.2 Non-Presentation of Debentures

In case the holder of any Debenture shall fail to present the same for payment on the date on which the principal of or the interest thereon or represented thereby becomes payable either at maturity or otherwise or shall not accept payment on account thereof and give such receipt therefor, if any, as the Trustee may require:

- (a) the Company shall be entitled to pay or deliver to the Trustee and direct it to set aside; or
- (b) in respect of monies or Common Shares in the hands of the Trustee which may or should be applied to the payment of the Debentures, the Company shall be entitled to direct the Trustee to set aside; or
- (c) if the redemption was pursuant to notice given by the Trustee, the Trustee may itself set aside;

the monies or Common Shares, as the case may be, in trust to be paid to the holder of such Debenture upon due presentation or surrender thereof in accordance with the provisions of this Indenture; and thereupon the principal of, premium (if any) or the interest payable on or represented by each Debenture in respect whereof such monies or Common Shares, if applicable,

have been set aside shall be deemed to have been paid and the holder thereof shall thereafter have no right in respect thereof except that of receiving delivery and payment of the monies or Common Shares, if applicable, so set aside by the Trustee upon due presentation and surrender thereof, subject always to the provisions of Section 9.3.

9.3 Repayment of Unclaimed Monies or Common Shares

Subject to applicable law, any monies or Common Shares, if applicable, set aside under Section 9.2 and not claimed by and paid to holders of Debentures as provided in Section 9.2 within six years after the date of such setting aside shall be repaid and delivered to the Company by the Trustee and thereupon the Trustee shall be released from all further liability with respect to such monies or Common Shares, if applicable, and thereafter the holders of the Debentures in respect of which such monies or Common Shares, if applicable, were so repaid to the Company shall have no rights in respect thereof except to obtain payment and delivery of the monies or Common Shares, if applicable, from the Company subject to any limitation provided by the laws of the Province of Ontario. Notwithstanding the foregoing, the Trustee will pay any remaining funds prior to the expiry of six years after the setting aside described in Section 9.2 to the Company upon receipt from the Company, of an unconditional letter of credit from a Canadian chartered bank in an amount equal to or in excess of the amount of the remaining funds as security for the Company's continuing obligations hereunder, including the payments of any amounts due to holders of Debentures. If the remaining funds are paid to the Company prior to the expiry of six years after such setting aside, the Company shall reimburse the Trustee for any amounts so set aside which are required to be paid by the Trustee to a holder of a Debenture after the date of such payment of the remaining funds to the Company but prior to six years after such setting aside.

9.4 Discharge

9.6 Continuance of Rights, Duties and Obligations

Where trust funds or trust property have been deposited pursuant to Section 9.5, the holders of Debentures and the Company shall continue to have and be subject to their respective rights, duties and obligations under Articles 2, 4, 5 and 6.

ARTICLE 10 COMMON SHARE INTEREST PAYMENT ELECTION

10.1 Common Share Interest Payment Election

- (a) Provided that there is no current Event of Default under this Indenture and that all applicable regulatory approvals have been obtained (including any required approval of any stock exchange on which the Debentures or Common Shares are then listed) the Company shall have the right, from time to time (including following conversion, at the time of redemption or at the time of maturity), to make a Common Share Interest Payment Election in respect of up to one-third of any Interest Obligation by delivering a Common Share Interest Payment Election Notice to the Trustee no later than the earlier of (i) the date required by applicable

law or the rules of any stock exchange on which the Debentures or Common Shares are then listed, and (ii) the day which is 15 Business Days prior to the Interest Payment Date to which the Common Share Interest Payment Election relates.

- (b) Concurrently with the delivery of a Common Share Interest Payment Election Notice, the Company shall, in accordance with this Article 10 and such Common Share Interest Payment Election Notice deliver Common Share Bid Requests to the investment banks, brokers or dealers identified in the Common Share Interest Payment Election Notice. In connection with the Common Share Interest Payment Election, the Trustee shall: (i) accept delivery of the Common Shares from the Company and process the Common Shares in accordance with the Common Share Interest Payment Election Notice, (ii) invest the proceeds from the sales of such Common Shares on the direction of the Company in short term Government Obligations which mature prior to an applicable Interest Payment Date, (iii) use such proceeds received from such permitted Government Obligations together with any proceeds from the sale of Common Shares not invested as aforesaid to pay the Interest Obligation in respect of which the Common Share Interest Payment Election was made; and (iv) perform any other action necessarily incidental thereto as directed by the Company in its absolute discretion. The Common Share Bid Request shall provide that the acceptance of any bid is conditional on the acceptance of, sufficient bids to result in aggregate proceeds from such issue and sale of Common Shares which, together with the cash payments by the Company in lieu of fractional Common Shares, if any, equal the Interest Obligation on the Common Share Delivery Date.
- (c) The Common Share Interest Payment Election Notice shall provide (a) confirmation that all necessary regulatory approvals have been obtained and (b) for, and all bids shall be subject to, the right of the Company, by delivering written notice to the Trustee at any time prior to the consummation of such delivery and sale of the Common Shares on the Common Share Delivery Date, to withdraw the Common Share Interest Payment Election (which shall have the effect of withdrawing each related Common Share Bid Request), whereupon the Company shall be obliged to pay in cash the Interest Obligation in respect of which the Common Share Interest Payment Election Notice has been delivered.
- (d) Any sale of Common Shares pursuant to this Article 10 may be made to one or more Persons whose bids are solicited, but all such sales with respect to a particular Common Share Interest Payment Election shall take place concurrently on the Common Share Delivery Date.
- (e) The amount received by a holder of a Debenture in respect of the Interest Obligation or the entitlement thereto will not be affected by whether or not the Company elects to satisfy the Interest Obligation pursuant to a Common Share Interest Payment Election.
- (f) The Company shall accept such bid or bids for Common Shares solicited pursuant to the Common Share Bid Requests, as the Company, in its absolute discretion, decides, provided that the aggregate proceeds of all sales of Common Shares

resulting from the acceptance of such bids, together with the amount of any cash payment by the Company in lieu of any fractional Common Shares, on the Common Share Delivery Date, must be equal to the related Common Share Interest Payment Election Amount in connection with any bids so accepted. The Company, and the applicable bidders shall, not later than the Common Share Delivery Date, enter into Common Share Purchase Agreements and shall comply with all Applicable Securities Legislation, including the securities rules and regulations of any stock exchange on which the Debentures or Common Shares are then listed.

- (g) Provided that: (i) all conditions specified in each Common Share Purchase Agreement to the closing of all sales thereunder have been satisfied, other than the delivery of the Common Shares to be sold thereunder against payment of the purchase price thereof; and (ii) the purchasers under each Common Share Purchase Agreement shall be ready, willing and able to perform thereunder, in each case on the Common Share Delivery Date, the Company shall, on the Common Share Delivery Date, deliver to the Trustee the Common Shares to be sold on such date, an amount in cash equal to the value of any fractional Common Shares and an Officers' Certificate to the effect that all conditions precedent to such sales, including those set forth in this Indenture and in each Common Share Purchase Agreement, have been satisfied. Upon such deliveries, the Trustee shall deliver or cause to be delivered the Common Shares to such purchasers against payment to the Trustee in immediately available funds of the purchase price therefor in an aggregate amount equal to the Common Share Interest Payment Election Amount (less any amount attributable to any fractional Common Shares), whereupon the sole right of a holder of Debentures to receive such holder's portion of the Common Share Interest Payment Election Amount will be to receive same from the Trustee out of the proceeds of such sales of Common Shares plus any amount received by the Trustee from the Company attributable to any fractional Common Shares in full satisfaction of the Interest Obligation and the holder will have no further recourse to the Company in respect of the Interest Obligation.
- (h) The Trustee shall, on the Common Share Delivery Date, use the sale proceeds of the Common Shares (together with any cash received from the Company in lieu of any fractional Common Shares) to purchase, on the direction of the Company in writing, Government Obligations which mature prior to the applicable Interest Payment Date and which the Trustee is required to hold until maturity (the "**Common Share Proceeds Investment**") and shall, on such date, deposit the balance, if any, of such sale proceeds in an account established by the Company (and which shall be maintained by and subject to the control of the Trustee) (the "**Interest Account**") for such Debentures. The Trustee shall hold such Common Share Proceeds Investment (but not income earned thereon) under its exclusive control in an irrevocable trust for the benefit of the holders of the Debentures but subject to Article 5. At least one Business Day prior to the Interest Payment Date, the Trustee shall deposit amounts from the proceeds of the Common Share Proceeds Investment in the Interest Account to bring the balance of the Interest Account to the Common Share Interest Payment Election Amount. On the Interest Payment Date, the Trustee shall pay the funds held in the Interest Account to the

holders of record of the Debentures on the Interest Payment Date (less any tax required to be deducted, if any) and, provided that there is no Event of Default, shall remit amounts, if any, in respect of income earned on the Common Share Proceeds Investment or otherwise in excess of the Common Share Interest Payment Election Amount to the Company.

- (i) Neither the making of a Common Share Payment Election nor the consummation of sales of Common Shares on a Common Share Delivery Date shall (i) result in the holders of the Debentures not being entitled to receive on the applicable Interest Payment Date cash in an aggregate amount equal to the Interest Obligation payable on such date or (ii) entitle such holders to receive any Common Shares in satisfaction of such Interest Obligation.
- (j) No fractional Common Shares will be issued in satisfaction of interest but in lieu thereof the Company will, subject to Article 5, satisfy such fractional interest by a cash payment equal to the market price of such fractional interest (less any tax required to be deducted, if any).

 - (D) the Debentures will be valid and binding obligations of the Successor entitling the holders thereof, as against the Successor, to all the rights of Debentureholders under this Indenture; and

- (E) in the case of an entity organized otherwise than under the laws of the Province of Ontario, the Successor shall attorn to the jurisdiction of the courts of the Province of Ontario;
- (ii) such transaction, in the opinion of Counsel, shall be on such terms as to substantially preserve and not impair any of the rights and powers of the Trustee or of the Debentureholders hereunder; and
- (iii) no condition or event shall exist as to the Company (at the time of such transaction) or the Successor (immediately after such transaction) and after giving full effect thereto or immediately after the Successor shall become liable to pay the principal monies, premium, if any, interest and other monies due or which may become due hereunder, which constitutes or would constitute an Event of Default hereunder.

11.2 Successor Substituted

Upon any consolidation of the Company with, or amalgamation or merger of the Company into, any other Person or any sale, conveyance, transfer or lease of all or substantially all of the properties and assets of the Company and its Subsidiaries, taken as a whole, in accordance with Section 11.1, the successor Person formed by such consolidation or into which the Company is amalgamated or merged or to which such sale, conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein, and thereafter, the Company shall be relieved of all obligations and covenants under this Indenture and the Debentures.

12.8 Communication of Offer to Company

An Offeror cannot make an Offer unless, concurrently with the communication of the Offer to any Debentureholder, a copy of the Offer is provided to the Company and the Trustee.

ARTICLE 13 MEETINGS OF DEBENTUREHOLDERS

13.1 Right to Convene Meeting

The Trustee or the Company may at any time and from time to time, and the Trustee shall, on receipt of a Written Direction of the Company or a written request signed by the holders of not less than 25% of the principal amount of the Debentures then outstanding and upon receiving funding and being indemnified to its reasonable satisfaction by the Company or by the Debentureholders signing such request against the costs which may be incurred in connection with the calling and holding of such meeting, convene a meeting of the Debentureholders. In the event of the Trustee failing, within 30 days after receipt of any such request and such funding of indemnity, to give notice convening a meeting, the Company or such Debentureholders, as the case may be, may convene such meeting. Every such meeting shall be held in the City of Toronto or at such other place as may be approved or determined by the Trustee.

13.2 Notice of Meetings

- (a) At least 21 days notice of any meeting shall be given to the Debentureholders in the manner provided in Section 14.2 and a copy of such notice shall be sent by post to the Trustee, unless the meeting has been called by it. Such notice shall state the time when and the place where the meeting is to be held and shall state briefly the general nature of the business to be transacted thereat and it shall not be necessary for any such notice to set out the terms of any resolution to be proposed or any of the provisions of this Article. The accidental omission to give notice of a meeting to any holder of Debentures shall not invalidate any resolution passed at any such meeting. A holder may waive notice of a meeting either before or after the meeting.
- (b) If the business to be transacted at any meeting by Extraordinary Resolution or otherwise, or any action to be taken or power exercised by instrument in writing under Section 13.15, especially affects the rights of holders of Debentures of one or more series in a manner or to an extent differing in any material way from that in or to which the rights of holders of Debentures of any other series are affected (determined as provided in Sections 13.2(c) and (d)), then:
 - (i) a reference to such fact, indicating each series of Debentures in the opinion of the Trustee (or the Person calling the Meeting) so especially affected (hereinafter referred to as the “**especially affected series**”) shall be made in the notice of such meeting, and in any such case the meeting

shall be and be deemed to be and is herein referred to as a “**Serial Meeting**”; and

- (ii) the holders of Debentures of an especially affected series shall not be bound by any action taken at a Serial Meeting or by instrument in writing under Section 13.5 unless in addition to compliance with the other provisions of this Article 13:
 - (A) at such Serial Meeting: (I) there are Debentureholders present in person or by proxy and representing at least 25% in principal amount of the Debentures then outstanding of such series, subject to the provisions of this Article 13 as to quorum at adjourned meetings; and (II) the resolution is passed by the affirmative vote of the holders of more than 50% (or in the case of an Extraordinary Resolution not less than 66 2/3%) of the principal amount of the Debentures of such series then outstanding voted on the resolution; or
 - (B) in the case of action taken or power exercised by instrument in writing under Section 13.5, such instrument is signed in one or more counterparts by the holders of not less than 66 2/3% in principal amount of the Debentures of such series then outstanding.
- (c) Subject to Section 13.2(d), the determination as to whether any business to be transacted at a meeting of Debentureholders, or any action to be taken or power to be exercised by instrument in writing under Section 13.15, especially affects the rights of the Debentureholders of one or more series in a manner or to an extent differing in any material way from that in or to which it affects the rights of Debentureholders of any other series (and is therefore an especially affected series) shall be determined by an opinion of Counsel, which shall be binding on all Debentureholders, the Trustee and the Company for all purposes hereof.
- (d) A proposal:
 - (i) to extend the maturity of Debentures of any particular series or to reduce the principal amount thereof, the rate of interest or redemption premium thereon or to impair any conversion right thereof;
 - (ii) to modify or terminate any covenant or agreement which by its terms is effective only so long as Debentures of a particular series are outstanding; or
 - (iii) to reduce with respect to Debentureholders of any particular series any percentage stated in this Section 13.2 or Sections 13.4, 13.12 and 13.15;

shall be deemed to especially affect the rights of the Debentureholders of such series in a manner differing in a material way from that in which it affects the rights of holders of Debentures of any other series, whether or not a similar

extension, reduction, modification or termination is proposed with respect to Debentures of any or all other series.

13.3 Chairman

A person, who need not be a Debentureholder, nominated in writing by the Trustee shall be chairman of the meeting and if no person is so nominated, or if the person so nominated is not present within 15 minutes from the time fixed for the holding of the meeting, a majority of the Debentureholders present in person or by proxy shall choose another person present to be chairman.

13.4 Quorum

Subject to the provisions of Section 13.12, at any meeting of the Debentureholders a quorum shall consist of Debentureholders present in person or by proxy and representing at least 25% in principal amount of the outstanding Debentures and, if the meeting is a Serial Meeting, at least 25% in principal amount of the Debentures then outstanding of each especially affected series. If a quorum of the Debentureholders shall not be present within 30 minutes from the time fixed for holding any meeting, the meeting, if summoned by the Debentureholders or pursuant to a request of the Debentureholders, shall be dissolved, but in any other case the meeting shall be adjourned to the same day in the next week (unless such day is not a Business Day in which case it shall be adjourned to the next following Business Day thereafter) at the same time and place and no notice shall be required to be given in respect of such adjourned meeting. At the adjourned meeting, the Debentureholders present in person or by proxy shall, subject to the provisions of Section 13.12, constitute a quorum and may transact the business for which the meeting was originally convened notwithstanding that they may not represent 25% of the principal amount of the outstanding Debentures or of the Debentures then outstanding of each especially affected series. Any business may be brought before or dealt with at an adjourned meeting which might have been brought before or dealt with at the original meeting in accordance with the notice calling the same. No business shall be transacted at any meeting unless the required quorum be present at the commencement of business.

13.5 Power to Adjourn

The chairman of any meeting at which a quorum of the Debentureholders is present may, with the consent of the holders of a majority in principal amount of the Debentures represented thereat, adjourn any such meeting and no notice of such adjournment need be given except such notice, if any, as the meeting may prescribe.

13.6 Show of Hands

Every question submitted to a meeting shall, subject to Section 13.7, be decided in the first place by a majority of the votes given on a show of hands except that votes on Extraordinary Resolutions shall be given in the manner hereinafter provided. At any such meeting, unless a poll is duly demanded as herein provided, a declaration by the chairman that a resolution has been carried or carried unanimously or by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact. The chairman of any meeting shall be entitled, both on a show of hands and on a poll, to vote in respect of the Debentures, if any, held by him.

13.7 Poll

On every Extraordinary Resolution, and on any other question submitted to a meeting when demanded by the chairman or by one or more Debentureholders or proxies for Debentureholders, a poll shall be taken in such manner and either at once or after an adjournment as the chairman shall direct. Questions other than Extraordinary Resolutions shall, if a poll be taken, be decided by the votes of the holders of a majority in principal amount of the Debentures and of each especially affected series, if applicable, represented at the meeting and voted on the poll.

13.8 Voting

On a show of hands every person who is present and entitled to vote, whether as a Debentureholder or as proxy for one or more Debentureholders or both, shall have one vote. On a poll each Debentureholder present in person or represented by a proxy duly appointed by an instrument in writing shall be entitled to one vote in respect of each \$1,000 principal amount of Debentures of which he shall then be the holder. In the case of any Debenture denominated in a currency or currency unit other than Canadian dollars, the principal amount thereof for these purposes shall be computed in Canadian dollars on the basis of the conversion of the principal amount thereof at the applicable spot buying rate of exchange for such other currency or currency unit as reported by the Bank of Canada at the close of business on the Business Day next preceding the meeting. Any fractional amounts resulting from such conversion shall be rounded to the nearest \$100. A proxy need not be a Debentureholder. In the case of joint holders of a Debenture, any one of them present in person or by proxy at the meeting may vote in the absence of the other or others but in case more than one of them be present in person or by proxy, they shall vote together in respect of the Debentures of which they are joint holders.

13.9 Proxies

A Debentureholder may be present and vote at any meeting of Debentureholders by an authorized representative. The Company (in case it convenes the meeting) or the Trustee (in any other case) for the purpose of enabling the Debentureholders to be present and vote at any meeting without producing their Debentures, and of enabling them to be present and vote at any such meeting by proxy and of lodging instruments appointing such proxies at some place other than the place where the meeting is to be held, may from time to time make and vary such regulations as it shall think fit providing for and governing any or all of the following matters:

- (a) the form of the instrument appointing a proxy, which shall be in writing, and the manner in which the same shall be executed and the production of the authority of any person signing on behalf of a Debentureholder;
- (b) the deposit of instruments appointing proxies at such place as the Trustee, the Company or the Debentureholder convening the meeting, as the case may be, may, in the notice convening the meeting, direct and the time, if any, before the holding of the meeting or any adjournment thereof by which the same must be deposited; and
- (c) the deposit of instruments appointing proxies at some approved place or places other than the place at which the meeting is to be held and enabling particulars of

such instruments appointing proxies to be mailed, faxed, cabled, telegraphed, emailed, or sent by other electronic means before the meeting to the Company or to the Trustee at the place where the same is to be held and for the voting of proxies so deposited as though the instruments themselves were produced at the meeting.

Any regulations so made shall be binding and effective and the votes given in accordance therewith shall be valid and shall be counted. Save as such regulations may provide, the only persons who shall be recognized at any meeting as the holders of any Debentures, or as entitled to vote or be present at the meeting in respect thereof, shall be Debentureholders and persons whom Debentureholders have by instrument in writing duly appointed as their proxies.

13.10 Persons Entitled to Attend Meetings

The Company and the Trustee, by their respective officers, trustees and directors, the Auditors of the Company and the legal advisors of the Company, the Trustee or any Debentureholder may attend any meeting of the Debentureholders, but shall have no vote as such.

13.11 Powers Exercisable by Extraordinary Resolution

In addition to the powers conferred upon them by any other provisions of this Indenture or by law, a meeting of the Debentureholders shall have the following powers exercisable from time to time by Extraordinary Resolution, subject in the case of the matters in paragraphs (a), (b), (c), (d) and (l) to receipt of the prior approval of the Toronto Stock Exchange or such other exchange on which the Debentures are then listed:

- (a) power to authorize the Trustee to grant extensions of time for payment of any principal, premium or interest on the Debentures, whether or not the principal or interest, the payment of which is extended, is at the time due or overdue;
- (b) power to sanction any modification, abrogation, alteration, compromise or arrangement of the rights of the Debentureholders or the Trustee against the Company, or against its property, whether such rights arise under this Indenture or the Debentures or otherwise;
- (c) power to assent to any modification of or change in or addition to or omission from the provisions contained in this Indenture or any Debenture which shall be agreed to by the Company and to authorize the Trustee to concur in and execute any indenture supplemental hereto embodying any modification, change, addition or omission;
- (d) power to sanction any scheme for the reconstruction, reorganization or recapitalization of the Company or for the consolidation, amalgamation, arrangement, combination or merger of the Company with any other Person or for the sale, leasing, transfer or other disposition of all or substantially all of the undertaking, property and assets of the Company or any part thereof, provided that no such sanction shall be necessary in respect of any such transaction if the provisions of Section 11.1 shall have been complied with;

- (e) power to direct or authorize the Trustee to exercise any power, right, remedy or authority given to it by this Indenture in any manner specified in any such Extraordinary Resolution or to refrain from exercising any such power, right, remedy or authority;
- (f) power to waive, and direct the Trustee to waive, any default hereunder and/or cancel any declaration made by the Trustee pursuant to Section 8.1 either unconditionally or upon any condition specified in such Extraordinary Resolution;
- (g) power to restrain any Debentureholder from taking or instituting any suit, action or proceeding for the purpose of enforcing payment of the principal, premium or interest on the Debentures, or for the execution of any trust or power hereunder;
- (h) power to direct any Debentureholder who, as such, has brought any action, suit or proceeding to stay or discontinue or otherwise deal with the same upon payment, if the taking of such suit, action or proceeding shall have been permitted by Section 8.5, of the costs, charges and expenses reasonably and properly incurred by such Debentureholder in connection therewith;
- (i) power to assent to any compromise or arrangement with any creditor or creditors or any class or classes of creditors, whether secured or otherwise, and with holders of any shares or other securities of the Company;
- (j) power to appoint a committee with power and authority (subject to such limitations, if any, as may be prescribed in the resolution) to exercise, and to direct the Trustee to exercise, on behalf of the Debentureholders, such of the powers of the Debentureholders as are exercisable by Extraordinary Resolution or other resolution as shall be included in the resolution appointing the committee. The resolution making such appointment may provide for payment of the expenses and disbursements of and compensation to such committee. Such committee shall consist of such number of persons as shall be prescribed in the resolution appointing it and the members need not be themselves Debentureholders. Every such committee may elect its chairman and may make regulations respecting its quorum, the calling of its meetings, the filling of vacancies occurring in its number and its procedure generally. Such regulations may provide that the committee may act at a meeting at which a quorum is present or may act by minutes signed by the number of members thereof necessary to constitute a quorum. All acts of any such committee within the authority delegated to it shall be binding upon all Debentureholders. Neither the committee nor any member thereof shall be liable for any loss arising from or in connection with any action taken or omitted to be taken by them in good faith;
- (k) power to remove the Trustee from office and to appoint a new Trustee or Trustees provided that no such removal shall be effective unless and until a new Trustee or Trustees shall have become bound by this Indenture;
- (l) power to sanction the exchange of the Debentures for or the conversion thereof into shares, bonds, debentures or other securities or obligations of the Company or of any other Person formed or to be formed, for greater certainty, provided that no

such sanction shall be necessary in respect of any such event if the provisions of Section 11.1 shall have been complied with;

- (m) power to authorize the distribution *in specie* of any shares or securities received pursuant to a transaction authorized under the provisions of Section 13.11(l); and
- (n) power to amend, alter or repeal any Extraordinary Resolution previously passed or sanctioned by the Debentureholders or by any committee appointed pursuant to Section 13.11(j).

Notwithstanding the foregoing provisions of this Section 13.11, and subject to any additional requirements set forth in a confirmation provided to a Senior Creditor under Section 5.5, none of such provisions shall in any manner allow or permit any amendment, modification, abrogation or addition to the provisions of Article 5 which could reasonably be expected to detrimentally affect the rights, remedies or recourse of the priority of the Senior Creditors.

13.12 Meaning of “Extraordinary Resolution”

- (a) The expression “**Extraordinary Resolution**” when used in this Indenture means, subject as hereinafter in this Article provided, a resolution proposed to be passed as an Extraordinary Resolution at a meeting of Debentureholders (including an adjourned meeting) duly convened for the purpose and held in accordance with the provisions of this Article at which the holders of not less than 25% of the principal amount of the Debentures then outstanding, and if the meeting is a Serial Meeting, at which holders of not less than 25% of the principal amount of the Debentures then outstanding of each especially affected series, are present in person or by proxy and passed by the favourable votes of the holders of not less than 66 2/3% of the principal amount of the Debentures, and if the meeting is a Serial Meeting by the affirmative vote of the holders of not less than 66 2/3% of each especially affected series, in each case present or represented by proxy at the meeting and voted upon on a poll on such resolution.
- (b) If, at any such meeting, the holders of not less than 25% of the principal amount of the Debentures then outstanding and, if the meeting is a Serial Meeting, 25% of the principal amount of the Debentures then outstanding of each especially affected series, in each case are not present in person or by proxy within 30 minutes after the time appointed for the meeting, then the meeting, if convened by or on the requisition of Debentureholders, shall be dissolved but in any other case it shall stand adjourned to such date, being not less than 14 nor more than 60 days later, and to such place and time as may be appointed by the chairman. Not less than 10 days notice shall be given of the time and place of such adjourned meeting in the manner provided in Section 14.2. Such notice shall state that at the adjourned meeting the Debentureholders present in person or by proxy shall form a quorum. At the adjourned meeting the Debentureholders present in person or by proxy shall form a quorum and may transact the business for which the meeting was originally convened and a resolution proposed at such adjourned meeting and passed thereat by the affirmative vote of holders of not less than 66 2/3% of the principal amount of the Debentures and, if the meeting is a Serial Meeting, by the affirmative vote of the holders of not less than 66 2/3% of the principal amount of

the Debentures of each especially affected series, in each case present or represented by proxy at the meeting voted upon on a poll shall be an Extraordinary Resolution within the meaning of this Indenture, notwithstanding that the holders of not less than 25% in principal amount of the Debentures then outstanding, and if the meeting is a Serial Meeting, holders of not less than 25% of the principal amount of the Debentures then outstanding of each especially affected series, are not present in person or by proxy at such adjourned meeting.

- (c) Votes on an Extraordinary Resolution shall always be given on a poll and no demand for a poll on an Extraordinary Resolution shall be necessary.

13.13 Powers Cumulative

Any one or more of the powers in this Indenture stated to be exercisable by the Debentureholders by Extraordinary Resolution or otherwise may be exercised from time to time and the exercise of any one or more of such powers from time to time shall not be deemed to exhaust the rights of the Debentureholders to exercise the same or any other such power or powers thereafter from time to time.

13.14 Minutes

Minutes of all resolutions and proceedings at every meeting as aforesaid shall be made and duly entered in books to be from time to time provided for that purpose by the Trustee at the expense of the Company, and any such minutes as aforesaid, if signed by the chairman of the meeting at which such resolutions were passed or proceedings had, or by the chairman of the next succeeding meeting of the Debentureholders, shall be prima facie evidence of the matters therein stated and, until the contrary is proved, every such meeting, in respect of the proceedings of which minutes shall have been made, shall be deemed to have been duly held and convened, and all resolutions passed thereat or proceedings taken thereat to have been duly passed and taken.

13.15 Instruments in Writing

All actions which may be taken and all powers that may be exercised by the Debentureholders at a meeting held as hereinbefore in this Article provided may also be taken and exercised by the holders of 66 2/3% of the principal amount of all the outstanding Debentures and, if the meeting at which such actions might be taken would be a Serial Meeting, by the holders of 66 2/3% of the principal amount of the Debentures then outstanding of each especially affected series, by an instrument in writing signed in one or more counterparts and the expression "**Extraordinary Resolution**" when used in this Indenture shall include an instrument so signed.

13.16 Binding Effect of Resolutions

Every resolution and every Extraordinary Resolution passed in accordance with the provisions of this Article at a meeting of Debentureholders shall be binding upon all the Debentureholders, whether present at or absent from such meeting, and every instrument in writing signed by Debentureholders in accordance with Section 13.15 shall be binding upon all the Debentureholders, whether signatories thereto or not, and each and every Debentureholder

and the Trustee (subject to the provisions for its indemnity herein contained) shall be bound to give effect accordingly to every such resolution, Extraordinary Resolution and instrument in writing.

13.17 Evidence of Rights of Debentureholders

- (a) Any request, direction, notice, consent or other instrument which this Indenture may require or permit to be signed or executed by the Debentureholders may be in any number of concurrent instruments of similar tenor signed or executed by such Debentureholders.
- (b) The Trustee may, in its discretion, require proof of execution in cases where it deems proof desirable and may accept such proof as it shall consider proper.

13.18 Concerning Serial Meetings

If in the opinion of Counsel any business to be transacted at any meeting, or any action to be taken or power to be exercised by instrument in writing under Section 13.15, does not adversely affect the rights of the holders of Debentures of one or more series, the provisions of this Article 13 shall apply as if the Debentures of such series were not outstanding and no notice of any such meeting need be given to the holders of Debentures of such series. Without limiting the generality of the foregoing, a proposal to modify or terminate any covenant or agreement which is effective only so long as Debentures of a particular series are outstanding shall be deemed not to adversely affect the rights of the holders of Debentures of any other series.

If any notice given in accordance with the foregoing paragraph would be unlikely to reach the Debentureholders to whom it is addressed in the ordinary course of post by reason of an interruption in mail service, whether at the place of dispatch or receipt or both, the Company shall give such notice by publication at least once in the City of Toronto (or in such of those cities as, in the opinion of the Trustee, is sufficient in the particular circumstances), each such publication to be made in a daily newspaper of general circulation in the designated city.

Any notice given to Debentureholders by publication shall be deemed to have been given on the day on which publication shall have been effected at least once in each of the newspapers in which publication was required.

ARTICLE 15 CONCERNING THE TRUSTEE

15.1 No Conflict of Interest

The Trustee represents to the Company that at the date of execution and delivery by it of this Indenture there exists no material conflict of interest in the role of the Trustee as a fiduciary hereunder but if, notwithstanding the provisions of this Section 15.1, such a material conflict of interest exists, or hereafter arises, the validity and enforceability of this Indenture, and the Debentures issued hereunder, shall not be affected in any manner whatsoever by reason only that such material conflict of interest exists or arises but the Trustee shall, within 30 days after ascertaining that it has a material conflict of interest, either eliminate such material conflict of interest or resign in the manner and with the effect specified in Section 15.2.

15.2 Replacement of Trustee

The Trustee may resign its trust and be discharged from all further duties and liabilities hereunder by giving to the Company 90 days notice in writing or such shorter notice as the Company may accept as sufficient. If at any time a material conflict of interest exists in the

Trustee's role as a fiduciary hereunder the Trustee shall, within 30 days after ascertaining that such a material conflict of interest exists, either eliminate such material conflict of interest or resign in the manner and with the effect specified in this Section 15.2. The validity and enforceability of this Indenture and of the Debentures issued hereunder shall not be affected in any manner whatsoever by reason only that such a material conflict of interest exists. In the event of the Trustee resigning or being removed or being dissolved, becoming bankrupt, going into liquidation or otherwise becoming incapable of acting hereunder, the Company shall forthwith appoint a new Trustee unless a new Trustee has already been appointed by the Debentureholders. Failing such appointment by the Company, the retiring Trustee or any Debentureholder may apply to a Judge of the Ontario Superior Court of Justice, on such notice as such Judge may direct at the Company's expense, for the appointment of a new Trustee but any new Trustee so appointed by the Company or by the Court shall be subject to removal as aforesaid by the Debentureholders and the appointment of such new Trustee shall be effective only upon such new Trustee becoming bound by this Indenture. Any new Trustee appointed under any provision of this Section 15.2 shall be a Company authorized to carry on the business of a trust company in all of the Provinces of Canada. On any new appointment the new Trustee shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named herein as Trustee.

Any company into which the Trustee may be merged or, with or to which it may be consolidated, amalgamated or sold, or any company resulting from any merger, consolidation, sale or amalgamation to which the Trustee shall be a party, or any company to whom the Trustee may transfer all or substantially all of its corporate trust business, shall be the successor trustee under this Indenture without the execution of any instrument or any further act. Nevertheless, upon the written request of the successor Trustee or of the Company, the Trustee ceasing to act shall execute and deliver an instrument assigning and transferring to such successor Trustee, upon the trusts herein expressed, all the rights, powers and trusts of the Trustee so ceasing to act, and shall duly assign, transfer and deliver all property and money held by such Trustee to the successor Trustee so appointed in its place. Should any deed, conveyance or instrument in writing from the Company be required by any new Trustee for more fully and certainly vesting in and confirming to it such estates, properties, rights, powers and trusts, then any and all such deeds, conveyances and instruments in writing shall on request of said new Trustee, be made, executed, acknowledged and delivered by the Company.

15.3 Duties of Trustee

In the exercise of the rights, duties and obligations prescribed or conferred by the terms of this Indenture, the Trustee shall act honestly and in good faith with a view to the best interests of the holders and exercise that degree of care, diligence and skill that a reasonably prudent trustee would exercise in comparable circumstances. No provision of this Indenture shall be construed to relieve the Trustee from, or require any other person to indemnify the Trustee against, liability for its own gross negligence, wilful misconduct or fraud.

15.4 Reliance Upon Declarations, Opinions, etc.

In the exercise of its rights, duties, and obligations hereunder the Trustee may, if acting in good faith, rely, as to the truth of the statements and accuracy of the opinions expressed therein upon statutory declarations, opinions, reports or certificates furnished pursuant to any covenant, condition or requirement of this Indenture or required by the Trustee to be furnished to it in the

exercise of its rights and duties hereunder, if the Trustee examines such statutory declarations, opinions, reports or certificates and determines that they comply with Section 15.5, if applicable, and with any other applicable requirements of this Indenture. The Trustee may nevertheless, in its discretion, require further proof in cases where it deems further proof desirable. Without restricting the foregoing, the Trustee may rely on an opinion of Counsel satisfactory to the Trustee notwithstanding that it is delivered by a solicitor or firm which acts as solicitors for the Company.

15.5 Evidence and Authority to Trustee, Opinions, etc.

The Company shall furnish to the Trustee evidence of compliance with the conditions precedent provided for in this Indenture relating to any action or step required or permitted to be taken by the Company or the Trustee under this Indenture or as a result of any obligation imposed under this Indenture, including without limitation, the certification and delivery of Debentures hereunder, the satisfaction and discharge of this Indenture and the taking of any other action to be taken by the Trustee at the request of or on the application of the Company, forthwith if and when (a) such evidence is required by any other Section of this Indenture to be furnished to the Trustee in accordance with the terms of this Section 15.5, or (b) the Trustee, in the exercise of its rights and duties under this Indenture, gives the Company written notice requiring it to furnish such evidence in relation to any particular action or obligation specified in such notice.

Such evidence shall consist of:

- (a) a certificate made by any one officer or director of the Company, stating that any such condition precedent has been complied with in accordance with the terms of this Indenture;
- (b) in the case of a condition precedent compliance with which is, by the terms of this Indenture, made subject to review or examination by a solicitor, an opinion of Counsel that such condition precedent has been complied with in accordance with the terms of this Indenture; and
- (c) in the case of any such condition precedent compliance with which is subject to review or examination by auditors or accountants, an opinion or report of the Auditors of the Company whom the Trustee for such purposes hereby approves, that such condition precedent has been complied with in accordance with the terms of this Indenture.

Whenever such evidence relates to a matter other than the certificates and delivery of Debentures and the satisfaction and discharge of this Indenture, and except as otherwise specifically provided herein, such evidence may consist of a report or opinion of any solicitor, auditor, accountant, engineer or appraiser or any other person whose qualifications give authority to a statement made by him, provided that if such report or opinion is furnished by a trustee, officer or employee of the Company it shall be in the form of a statutory declaration. Such evidence shall be, so far as appropriate, in accordance with the immediately preceding paragraph of this Section.

Each statutory declaration, certificate, opinion or report with respect to compliance with a condition precedent provided for in the Indenture shall include (a) a statement by the person giving the evidence that he has read and is familiar with those provisions of this Indenture relating to the condition precedent in question, (b) a brief statement of the nature and scope of the examination or investigation upon which the statements or opinions contained in such evidence are based, (c) a statement that, in the belief of the person giving such evidence, he has made such examination or investigation as is necessary to enable him to make the statements or give the opinions contained or expressed therein, and (d) a statement whether in the opinion of such person the conditions precedent in question have been complied with or satisfied.

The Company shall furnish or cause to be furnished to the Trustee at any time if the Trustee reasonably so requires, its certificate that the Company has complied with all covenants, conditions or other requirements contained in this Indenture, the non-compliance with which would, with the giving of notice or the lapse of time, or both, or otherwise, constitute an Event of Default, or if such is not the case, specifying the covenant, condition or other requirement which has not been complied with and giving particulars of such non-compliance. The Company shall, whenever the Trustee so requires, furnish the Trustee with evidence by way of statutory declaration, opinion, report or certificate as specified by the Trustee as to any action or step required or permitted to be taken by the Company or as a result of any obligation imposed by this Indenture.

15.6 Officers' Certificates Evidence

Except as otherwise specifically provided or prescribed by this Indenture, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or omitting any action hereunder, the Trustee, if acting in good faith, may rely upon an Officers' Certificate.

15.7 Experts, Advisers and Agents

The Trustee may:

- (a) employ or retain and act and rely on the opinion or advice of or information obtained from any solicitor, auditor, valuer, engineer, surveyor, appraiser or other expert, whether obtained by the Trustee or by the Company, or otherwise, and shall not be liable for acting, or refusing to act, in good faith on any such opinion or advice and may pay proper and reasonable compensation for all such legal and other advice or assistance as aforesaid; and
- (b) employ such agents and other assistants as it may reasonably require for the proper discharge of its duties hereunder, and may pay reasonable remuneration for all services performed for it (and shall be entitled to receive reasonable remuneration for all services performed by it) in the discharge of the trusts hereof and compensation for all disbursements, costs and expenses made or incurred by it in the discharge of its duties hereunder and in the management of the trusts hereof and any solicitors employed or consulted by the Trustee may, but need not be, solicitors for the Company.

15.8 Trustee May Deal in Debentures

Subject to Sections 15.1 and 15.3, the Trustee may, in its personal or other capacity, buy, sell, lend upon and deal in the Debentures and generally contract and enter into financial transactions with the Company or otherwise, without being liable to account for any profits made thereby.

15.9 Investment of Monies Held by Trustee

Unless otherwise provided in this Indenture, any monies held by the Trustee, which, under the trusts of this Indenture, may or ought to be invested or which may be on deposit with the Trustee or which may be in the hands of the Trustee, may be invested and reinvested in the name or under the control of the Trustee in securities in which, under the laws of the Province of Ontario, trustees are authorized to invest trust monies, provided that such securities are expressed to mature within two years or such shorter period selected to facilitate any payments expected to be made under this Indenture, after their purchase by the Trustee, and unless and until the Trustee shall have declared the principal of and interest on the Debentures to be due and payable, the Trustee shall so invest such monies at the Written Direction of the Company given in a reasonably timely manner. Pending the investment of any monies as hereinbefore provided, such monies may be deposited in the name of the Trustee in any chartered bank of Canada or, with the consent of the Company, in the deposit department of the Trustee or any other loan or trust company authorized to accept deposits under the laws of Canada or any Province thereof at the rate of interest, if any, then current on similar deposits.

Unless and until the Trustee shall have declared the principal of and interest on the Debentures to be due and payable, the Trustee shall pay over to the Company all interest received by the Trustee in respect of any investments or deposits made pursuant to the provisions of this Section.

15.10 Trustee Not Ordinarily Bound

Except as provided in Section 8.2 and as otherwise specifically provided herein, the Trustee shall not, subject to Section 15.3, be bound to give notice to any person of the execution hereof, nor to do, observe or perform or see to the observance or performance by the Company of any of the obligations herein imposed upon the Company or of the covenants on the part of the Company herein contained, nor in any way to supervise or interfere with the conduct of the Company's business, unless the Trustee shall have been required to do so in writing by the holders of not less than 25% of the aggregate principal amount of the Debentures then outstanding or by any Extraordinary Resolution of the Debentureholders passed in accordance with the provisions contained in Article 13, and then only after it shall have been funded and indemnified to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages and expenses which it may incur by so doing.

15.11 Trustee Not Required to Give Security

The Trustee shall not be required to give any bond or security in respect of the execution of the trusts and powers of this Indenture or otherwise in respect of the premises.

15.12 Trustee Not Bound to Act on Company's Request

Except as in this Indenture otherwise specifically provided, the Trustee shall not be bound to act in accordance with any direction or request of the Company until a duly authenticated copy of the instrument or resolution containing such direction or request shall have been delivered to the Trustee, and the Trustee shall be empowered to act upon any such copy purporting to be authenticated and believed by the Trustee to be genuine.

15.13 Conditions Precedent to Trustee's Obligations to Act Hereunder

The obligation of the Trustee to commence or continue any act, action or proceeding for the purpose of enforcing the rights of the Trustee and of the Debentureholders hereunder shall be conditional upon the Debentureholders furnishing when required by notice in writing by the Trustee, sufficient funds to commence or continue such act, action or proceeding and indemnity reasonably satisfactory to the Trustee to protect and hold harmless the Trustee against the costs, charges and expenses and liabilities to be incurred thereby and any loss and damage it may suffer by reason thereof.

None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers unless indemnified as aforesaid.

The Trustee may, before commencing or at any time during the continuance of any such act, action or proceeding require the Debentureholders at whose instance it is acting to deposit with the Trustee the Debentures held by them for which Debentures the Trustee shall issue receipts.

15.14 Authority to Carry on Business

The Trustee represents to the Company that at the date of execution and delivery by it of this Indenture it is authorized to carry on the business of a trust company in the province of Ontario but if, notwithstanding the provisions of this Section 15.14, it ceases to be so authorized to carry on business, the validity and enforceability of this Indenture and the securities issued hereunder shall not be affected in any manner whatsoever by reason only of such event but the Trustee shall, within 90 days after ceasing to be authorized to carry on the business of a trust company in the province of Ontario, either become so authorized or resign in the manner and with the effect specified in Section 15.2.

15.15 Compensation and Indemnity

- (a) The Company shall pay to the Trustee from time to time compensation for its services hereunder as agreed separately by the Company and the Trustee, and shall pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in the administration or execution of its duties under this Indenture (including the reasonable and documented compensation and disbursements of its Counsel and all other advisers and assistants not regularly in its employ), both before any default hereunder and thereafter until all duties of the Trustee under this Indenture shall be finally and

fully performed. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust.

- (b) The Company hereby indemnifies and saves harmless the Trustee and its directors, officers and employees from and against any and all loss, damages, charges, expenses, claims, demands, actions or liability whatsoever which may be brought against the Trustee or which it may suffer or incur as a result of or arising out of the performance of its duties and obligations hereunder save only in the event of gross negligence, or the wilful misconduct or bad faith of the Trustee. This indemnity will survive the termination or discharge of this Indenture and the resignation or removal of the Trustee. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. The Company shall defend the claim and the Trustee shall co-operate in the defence. The Trustee may have separate Counsel and the Company shall pay the reasonable fees and expenses of such Counsel. The Company need not pay for any settlement made without its consent, which consent must not be unreasonably withheld. This indemnity shall survive the resignation or removal of the Trustee or the discharge of this Indenture.
- (c) The Company need not reimburse any expense or indemnify against any loss or liability incurred by the Trustee through gross negligence or bad faith or breach of the Trustee's duties hereunder.

15.16 Acceptance of Trust

The Trustee hereby accepts the trusts in this Indenture declared and provided for and agrees to perform the same upon the terms and conditions herein set forth and to hold all rights, privileges and benefits conferred hereby and by law in trust for the various Persons who shall from time to time be Debentureholders, subject to all the terms and conditions herein set forth.

15.17 Third Party Interests

Each party to this Indenture (in this paragraph referred to as a “**representing party**”) hereby represents to the Trustee that any account to be opened by, or interest to held by, the Trustee in connection with this Indenture, for or to the credit of such representing party, either (i) is not intended to be used by or on behalf of any third party; or (ii) is intended to be used by or on behalf of a third party, in which case such representing party hereby agrees to complete, execute and deliver forthwith to the Trustee a declaration, in the Trustee's prescribed form or in such other form as may be satisfactory to it, as to the particulars of such third party.

15.18 Anti-Money Laundering

The Trustee shall retain the right not to act and shall not be liable for refusing to act if, due to a lack of information or for any other reason whatsoever, the Trustee, in its sole judgment, acting reasonably, determines that such act might cause it to be in noncompliance with any applicable anti-money laundering or anti-terrorist legislation, regulation or guideline. Further, should the Trustee, in its sole judgment, acting reasonably, determine at any time that its acting under this Indenture has resulted in its being in non-compliance with any applicable anti-money laundering or anti-terrorist legislation, regulation or guideline, then it shall have the right to

resign on 10 days' prior written notice sent to the Company provided that (i) the Trustee's written notice shall describe the circumstances of such non-compliance; and (ii) if such circumstances are rectified to the Trustee's satisfaction within such 10-day period, then such resignation shall not be effective.

15.19 Privacy Laws

The parties acknowledge that federal and/or provincial legislation that addresses the protection of individuals' personal information (collectively, "**Privacy Laws**") applies to certain obligations and activities under this Indenture. Notwithstanding any other provision of this Indenture, neither party shall take or direct any action that would contravene, or cause the other to contravene, applicable Privacy Laws. UNLESS PERMITTED UNDER SECURITIES LEGISLATION, THE HOLDER OF THIS SECURITY MUST NOT TRADE THE SECURITY BEFORE SEPTEMBER 18, 2011.

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE BEEN GRANTED CONDITIONAL APPROVAL TO BE LISTED ON THE TORONTO STOCK EXCHANGE (“TSX”); HOWEVER, THE SAID SECURITIES CANNOT BE TRADED THROUGH THE FACILITIES OF THE TSX, SINCE THEY ARE NOT FREELY TRANSFERABLE, AND CONSEQUENTLY ANY CERTIFICATE REPRESENTING SUCH SECURITIES IS NOT “GOOD DELIVERY” IN SETTLEMENT OF TRANSACTIONS ON THE TSX. THIS LEGEND SHALL CEASE TO HAVE ANY EFFECT AND MAY BE REMOVED AT THE REQUEST OF THE HOLDER ON SEPTEMBER 18, 2011. PINETREE CAPITAL LTD. (the “**Company**”) for value received hereby acknowledges itself indebted and, subject to the provisions of the Convertible Debenture Indenture (the “**Indenture**”) dated as of May 17, 2011 between the Company and Equity Financial Trust Company (the “**Trustee**”), promises to pay to the registered holder hereof on May 31, 2016 (the “**Maturity Date**”) or on such earlier date as the principal amount hereof may become due in accordance with the provisions of the Indenture the principal sum of Seventy Five Million Dollars (\$75,000,000) in lawful money of Canada on presentation and surrender of this Initial Debenture at the main branch of the Trustee in Toronto, Ontario in accordance with the terms of the Indenture and, subject as hereinafter provided, to pay interest on the principal amount hereof from the date hereof, or from the last Interest Payment Date to which interest shall have been paid or made available for payment hereon, whichever is later, at the rate of 8.0% per annum (based on a year of 365 days (or 366 days in the case of a leap year)), in like money, in arrears in equal (with the exception of the first interest payment which will include interest from May 17, 2011 as set forth below) semi-annual instalments (less any tax required to be deducted) on May 31 and November 30 in each year commencing on November 30, 2011 and the last payment (representing interest payable from the last Interest Payment Date to, but excluding, the Maturity Date) to fall due on the Maturity Date and, should the Company at any time make default in the payment of any principal or interest, to pay interest on the amount in default at the same rate, in like money and on the same dates. For certainty, the first interest payment will include interest accrued from May 17, 2011 to, but excluding November 30, 2011, which will be equal to \$43.18 for each \$1,000 principal amount of the Debentures.

Interest hereon shall be payable by electronic transfer of funds to the registered holder hereof and, subject to the provisions of the Indenture, the sending of such electronic transfer of funds shall, to the extent of the sum represented thereby (plus the amount of any tax withheld), satisfy and discharge all liability for interest on this Initial Debenture.

This Initial Debenture is one of the 8.0% Convertible Unsecured Subordinated Debentures due May 31, 2016, (referred to herein as the “**Initial Debentures**”) of the Company issued or issuable in one or more series under the provisions of the Indenture. The Initial Debentures authorized for issue immediately are limited to an aggregate principal amount of \$75,000,000 in lawful money of Canada. Reference is hereby expressly made to the Indenture for a description of the terms and conditions upon which the Initial Debentures are or are to be issued and held and the rights and remedies of the holders of the Initial Debentures and of the Company and of the Trustee, all to the same effect as if the provisions of the Indenture were herein set forth to all of which provisions the holder of this Initial Debenture by acceptance hereof assents.

The Initial Debentures are issuable only in denominations of \$1,000 and integral multiples thereof. Upon compliance with the provisions of the Indenture, Debentures of any denomination may be exchanged for an equal aggregate principal amount of Debentures in any other authorized denomination or denominations.

Any part, being \$1,000 or an integral multiple thereof, of the principal of this Initial Debenture, provided that the principal amount of this Initial Debenture is in a denomination in excess of \$1,000, is convertible, at the option of the holder hereof, upon surrender of this Initial Debenture at the principal office of the Trustee in Toronto, Ontario, at any time prior to the close of business on the earlier of (i) the Maturity Date of the Initial Debentures; or (ii) if the Initial Debentures are called for redemption, on the Business Day immediately preceding the date specified by the Company for redemption of the Initial Debentures; into Freely Tradeable Common Shares (without adjustment for interest accrued hereon or for dividends or distributions on Common Shares issuable upon conversion) at a conversion price of \$4.25 (the “**Conversion Price**”) per Common Share, being a rate of 235.2941 Common Shares for each \$1,000 principal amount of Initial Debentures, all subject to the terms and conditions and in the manner set forth in the Indenture. Notwithstanding any other provisions of the Indenture, if this Initial Debenture is surrendered for conversion on an Interest Payment Date or during the five preceding Business Days, the holder hereof shall not become the holder of record of such Common Shares until the Business Day following such Interest Payment Date. The Indenture makes provision for the adjustment of the Conversion Price in the events therein specified. No fractional Common Shares will be issued on any conversion but in lieu thereof, the Company will satisfy such fractional interest by a cash payment equal to the market price of such fractional interest determined in accordance with the Indenture. Holders converting their Debentures will receive accrued and unpaid interest thereon.

This Initial Debenture may be redeemed at the option of the Company on the terms and conditions set out in the Indenture at the redemption price therein and herein set out provided that this Initial Debenture is not redeemable before May 31, 2014, except in the event of the satisfaction of certain conditions after a Change of Control has occurred. On and after May 31, 2014 and prior to the Maturity Date, and provided that the Current Market Price of the Common Shares of the Company is at least 125% of the Conversion Price of the Initial Debentures, the Initial Debentures are redeemable at the option of the Company at a price equal to \$1,000 per Initial Debenture plus accrued and unpaid interest and otherwise on the terms and conditions described in the Indenture. The Company may, on notice as provided in the Indenture, at its option and subject to any applicable regulatory approval, elect to satisfy its obligation to pay up to one-third of the aggregate principal amount of the Initial Debentures to be redeemed by the issue of that number of Freely Tradeable Common Shares obtained by dividing the aggregate principal amount of the Initial Debentures to be redeemed by 95% of the volume weighted average trading price of the Common Shares on the Toronto Stock Exchange (or if the Common Shares are no longer listed on the Toronto Stock Exchange, such other stock exchange on which the Initial Debentures may be listed) for the 20 consecutive trading days ending on the fifth trading day preceding the Redemption Date.

Upon the occurrence of a Change of Control of the Company, the Company is required to make an offer to purchase all of the Initial Debentures at a price equal to 101% of the principal amount of such Initial Debentures plus accrued and unpaid interest up to, but excluding, the date the Initial Debentures are so repurchased (the “**Change of Control Purchase Offer**”). If 90% or more of the principal amount of all Debentures outstanding on the date the Company provides

notice of a Change of Control to the Trustee have been tendered for purchase pursuant to the Change of Control Purchase Offer and not withdrawn, the Company has the right to redeem all the remaining outstanding Initial Debentures on the same date and at the same price, subject to the terms and conditions described in the Indenture.

In addition to the requirement for the Company to make a Change of Control Purchase Offer in the event of a Change of Control, if a Change of Control occurs in which 10% or more of the consideration for the Common Shares in the transaction or transactions constituting a Change of Control consists of: (i) cash, other than cash payments for fractional Common Shares and cash payments made in respect of dissenter's appraisal rights; (ii) equity securities that are not traded or intended to be traded immediately following such transactions on a stock exchange; or other property that is not traded or intended to be traded immediately following such transactions on a stock exchange, then subject to regulatory approval, during the period beginning 10 trading days before the anticipated effective date of the Change of Control and ending 30 days after the Change of Control Purchase Offer is delivered or mailed to holders of Initial Debentures, holders of Initial Debentures will be entitled to convert their Initial Debentures, in whole or in part, and receive, in addition to the number of Common Shares that such holders are otherwise entitled to receive upon such conversion in accordance with the provisions of the Indenture, an additional number of Common Shares per \$1,000 principal amount of Initial Debentures calculated in accordance with the terms of the Indenture.

If an offer is made for the Debentures which is a take-over bid or issuer bid for the Debentures within the meaning of MI 62-104 and 90% or more of the principal amount of all the Debentures (other than Debentures held at the date of offer by or on behalf of the Offeror, associates or affiliates of the Offeror or anyone acting jointly or in concert with the Offeror) are taken up and paid for by the Offeror, the Offeror will be entitled to acquire the Debentures of those holders who did not accept the offer on the same terms as the Offeror acquired Debentures pursuant to the offer, all subject to the terms and conditions described in the Indenture.

The Company may, on notice as provided in the Indenture, at its option and subject to any applicable regulatory approval, elect to satisfy the obligation to repay up to one-third of the principal amount of this Initial Debenture due on the Maturity Date by the issue of that number of Freely Tradeable Common Shares obtained by dividing that portion of the principal amount of this Initial Debenture to be paid for in Common Shares pursuant to the exercise by the Company of the Common Share Repayment Right by 95% of the volume weighted average trading price of the Common Shares on the Toronto Stock Exchange or other stock exchange on which the Debentures may be listed for the 20 consecutive trading days ending on the fifth trading day preceding the Maturity Date.

The indebtedness evidenced by this Initial Debenture, and by all other Initial Debentures now or hereafter certified and delivered under the Indenture, is a direct unsecured obligation of the Company, and is subordinated in right of payment, to the extent and in the manner provided in the Indenture, to the prior payment in full of all Senior Indebtedness, whether outstanding at the date of the Indenture or thereafter created, incurred, assumed or guaranteed.

The indebtedness, liabilities and obligations of the Company under the Indenture or any Debentures, whether on account of principal, interest or otherwise, but excluding the issuance of Common Shares on conversion, redemption or maturity of any Debentures, shall be subordinated

and postponed and subject in right of payment, to the extent and in the manner set forth in the Indenture, to the full and final payment of all Senior Indebtedness.

The principal hereof may become or be declared due and payable before the stated maturity in the events, in the manner, with the effect and at the times provided in the Indenture.

The Indenture contains provisions making binding upon all holders of Debentures outstanding thereunder (or in certain circumstances specific series of Debentures) resolutions passed at meetings of such holders held in accordance with such provisions and instruments signed by the holders of a specified majority of Debentures outstanding (or specific series), which resolutions or instruments may have the effect of amending the terms of this Initial Debenture or the Indenture.

The Indenture contains provisions disclaiming any personal liability on the part of holders of Common Shares and officers, directors and employees of the Company in respect of any obligation or claim arising out of the Indenture or this Debenture.

This Initial Debenture may only be transferred, upon compliance with the conditions prescribed in the Indenture, in the register to be kept at the principal office of the Trustee in the City of Toronto and in such other place or places and/or by such other registrars (if any) as the Company with the approval of the Trustee may designate. No transfer of this Initial Debenture shall be valid unless made on the register by the registered holder hereof or his executors or administrators or other legal representatives, or his or their attorney duly appointed by an instrument in form and substance satisfactory to the Trustee or other registrar, and upon compliance with such reasonable requirements as the Trustee and/or other registrar may prescribe and upon surrender of this Initial Debenture for cancellation. Thereupon a new Initial Debenture or Initial Debentures in the same aggregate principal amount shall be issued to the transferee in exchange hereof.

This Initial Debenture shall not become obligatory for any purpose until it shall have been certified by the Trustee under the Indenture.

Capitalized words or expressions used in this Initial Debenture shall, unless otherwise defined herein, have the meaning ascribed thereto in the Indenture.

The Company may, on notice as provided in the Indenture, at its option and subject to any applicable regulatory approval, elect to satisfy the obligation to repay up to one-third of the principal amount of this Initial Debenture due on the Maturity Date by the issue of that number of Freely Tradeable Common Shares obtained by dividing that portion of the principal amount of this Initial Debenture to be paid for in Common Shares pursuant to the exercise by the Company of the Common Share Repayment Right by 95% of the volume weighted average trading price of the Common Shares on the Toronto Stock Exchange or other stock exchange on which the Debentures may be listed for the 20 consecutive trading days ending on the fifth trading day preceding the Maturity Date.

The indebtedness evidenced by this Initial Debenture, and by all other Initial Debentures now or hereafter certified and delivered under the Indenture, is a direct unsecured obligation of the Company, and is subordinated in right of payment, to the extent and in the manner provided in the Indenture, to the prior payment in full of all Senior Indebtedness, whether outstanding at the date of the Indenture or thereafter created, incurred, assumed or guaranteed.

The indebtedness, liabilities and obligations of the Company under the Indenture or any Debentures, whether on account of principal, interest or otherwise, but excluding the issuance of Common Shares on conversion, redemption or maturity of any Debentures, shall be subordinated and postponed and subject in right of payment, to the extent and in the manner set forth in the Indenture, to the full and final payment of all Senior Indebtedness.

The principal hereof may become or be declared due and payable before the stated maturity in the events, in the manner, with the effect and at the times provided in the Indenture.

The Indenture contains provisions making binding upon all holders of Debentures outstanding thereunder (or in certain circumstances specific series of Debentures) resolutions passed at meetings of such holders held in accordance with such provisions and instruments signed by the holders of a specified majority of Debentures outstanding (or specific series), which resolutions or instruments may have the effect of amending the terms of this Initial Debenture or the Indenture.

The Indenture contains provisions disclaiming any personal liability on the part of holders of Common Shares and officers, directors and employees of the Company in respect of any obligation or claim arising out of the Indenture or this Debenture.

This Initial Debenture may only be transferred, upon compliance with the conditions prescribed in the Indenture, in the register to be kept at the principal office of the Trustee in the

Thereupon a new Initial Debenture or Initial Debentures in the same aggregate principal amount shall be issued to the transferee in exchange hereof.
